DURRAM STREET, BELFAST. MY DEAR MASTER TOM,-I'm told by the newspapers-they know everything, of course, an', by all accunts, a thrifle or two more at times-I'm tould we're going to have a general shindy in this ould worl' that'll

take the shine out of that mighty civil war you had in the new one- a shindy that'll rattle up the rusty, crusty, tusty, dusty heart of old HAS COMMENCED HER REGULAR Yourope, shake the sleep out of the eyes of nations, make kings an rulers wondher what ails them, an' make smithereens of thrones, crowns, an' other sich playthings of grown-up weans. It's Austhria an' Proosha, they say, that are goin' to begin the play; but when the have begun it, take my word they won't have all the fun to themselves. That mighty respectable gentleman, the Emperor of Roosha won't miss havin' his bit of a cudgel in the ruction ; Emperor Boney'll intherfare to keep down pace an' have a share of what's going'; an' Mr. Bull is an alther'd gentleman if he lets the whole cuthertainment finish without him havin' his divide of the amusement. I suppose you'd har'ly undberstand what the row's about, supposin' I undherstood it well enough myself to tell you. But I may

as well thry an' tell you some of it. Well,

once on a time long, long agd, when the girls were as true as they were party, an' all men were honest but the regues; when religion meant Christyanity, an' not bad words or THE ABOVE-NAMED STEAMERS will run as follows between Ottawa and Kingbroken heads; whereall were good naybors except them that fell out, - in them times ston, calling at all intermediate Ports, and connecting at Smith's Falls with the Brockville and Ottawa there was a chap call'd Rody the Rover, from Hapsburg, that made people stan' roun' at a grate rate. He was a long sthreel of a fellow, with a small roun' lump of a head as hard as whinstone, that could stan' as many knocks as if it was made of pot-metal. He p. m., arriving at Ottawa next evening, at 7 p. m. was a robber by trade, like his dacent father before him-somethin' like Shaun Crossegh, Leaves Ottawa City every Wednesday and Sat- or Robin Hood, or Rob Roy. It was a mighty urday, at 7 a. m., arriving at Kingston at noon the respectable thrade in them times-very genteel; an' whoever prosper'd in it was sure to Leaves Kingston every Monday at 12, noon, and These steamers connect at Kingston with the was in his bizness; and so signs on him-he Through Line Steamers going East and West; Prosper'd. He fought, an' robbed, an' plun-Steamer "Bay of Quinte" for Picton, Belleville, dher'd, an' kilt his way on an' up, till at the and Trenton; and with the American steamers for rere, behold you, he was Emperor of Jarmany -showin' that there's a blessin' on industhry Parties shipping freight from Ottawa will find in ev'ry branch of bizness. His people it greatly to their advantage to send by this line, after him were Empror's, an' didn't dis-Passengers ticketed through to Cobourg, Por grace their breed mucn; only they didn't often fight themselves-lavin' that to them that Apply to JAS. SWIFT, St, Lawrence Wharf, weren't so well off in the worl'. That lasted -the Hapsburgs livin' in power an' glorydown to the time of ould Boney. When that quare, civil gentleman was dancin' Paudheen 97-s O'Rafferty on a carpet of thrones, an' playin' pitch an'-toss with crowns, the Jarman Empror interfared with his amusement; an' says Boney-" Botheration to these Hapsburgs, the robber breed, with their rusty ould pride an' impedince, do they think people are goin' to stan' them now-a-days-or that I'll stan' them any way! The Hapsburg idiots may OTTAWA AND RIDEAU, them any way! The Hapsburg laiots may be Emprors of Austria if they like; but my sowl to glory if I'll have any more Emprors of Jarmany!" He kep' his word; an' there hasn't been a Jarman Empror since. The Hapsburg family have been Emperors of Austria, as full of ould amadhan pride as my FORWARDING ARRANGEMENTS, 1866 ink-bottle's full of darkness, an' gettin' on mix'd middlin,' They've been like a rale ould Irish family-full of pride, full of quarrels, and bogged over head-an'-shoulders in Eleven Steamers and Fifty Barges, debt. But all the time they've been wantin' A for transport of Freight from Montreal to Otta- to be Emprors of Jarmany, back again. So wa, and all points on the Rideau Canal, and vice | much for one of the grate families that I'm tould are gettin' up the rustion at present. Both these exclusive carriage of Freight to and from Ottawa families belong to Jarmany, an' aich of them would like to be Emperor of it, or to be head The powerful tug steamer England will be kept over it in some way. For my part, if they'd between OTTAWA and GRENVILLE for the towgive me the salary I wouldn't begrudge them the offis and the honor. I wouldn't care for age of Square Timber Rafts, Saw Logs, &c. In addition to the above, a LINE OF TUG-BOATS, in connection with Barges, forming a bein' Empror over a set of people that can't

Billy of Proosha has a head sarvint that's as grate a Lawrence Wharf, Kingston; and JAS. RATH, Smith's Falls; W. D. WADDELL, Agent, Gowan's divel of a fellow as you'd get even in the United States-an' that's a big word! His name's Bismark; an' he's as crammed with pride an' impedence, an' cleverness too, as a 97-s baloon with gas. (Ach! but that thought makes me shake!) He's at war with the Parliament of Proosha, and his prid2 won't let him try to manage them. He won't coax an' he can't dhrive. There they stan' as 1866. stiff an conthrairy as a gen'ral assembly of studyus swine: they won't kick; but they won't budge. Bismark lethers away at them; but they only bould down their heads an grunt. He wants to have Billy Empror of Jarminy, and himself Empror of Billy. An' he thinks if he went to war for such a gloryus thing, the Parlyment would have to give in, ON AND AFTER MAY 1st, AND UNTIL an' back him. Billy's middlin' well off in the way of money, but poor Frank hasn't a cross to bliss himself with; and his credit's pany will run their large and commodious side-

like Darvock fair-far through.

Here, now, Tom, is what the two are lettin

Also at Ogdensburgh with the steamer there they thry it before are common sogers -with cannons for counsel, an' rifles for 'torneys. That's the way the Austhrian an' Prooshian quarrel's to be thried, they say. But, mind you, the rale quarrel is about who'll be head of Jarmany. Billy's well off. This line of steamers affords great advantages as I said, in the way of money; an' if himself mer moving with furniture, horses, wagons, &c., to an' Bismarck would make frens with the the Great West, for speed, comfort, and safety. The people, he'd be sthrong. But Frank's badly ficered by men of experience, proverbial for their family have been houldin' some property in attention to the wants and comforts of their passen- Italy, in a sort of tenant-at-will way; an' the King of Italy wants to evict him. Traveller, be not induced by loud cries in Depots to purchase your Tickets from men representing to have First Class Lines of Steamers, when hard to say what might happen in the coorse into war with Billy that may be done. Then

But if the row begins, Tom, there'll be more nor Austria an' Proosha in it. There's a lot of wee kings in Jarmany-onsignified kings, an'Princes, an' gran' humbugs, as consutey as if they ruled from sunrise to the worl's selvage. Most likely they'll be in the fight; an' whether they uo or not, an' no matther who wins, their lan' is likely to be taken from them an' put to one of the big places. Emp'ror Bony 'll make a grab for Belgium, or some other place, to sother to France. Victhor of Italy 'll thry to disposses Frank of Austhria from his houldin' in them parts. Alick of Roosha went stan' still with sich fun goin' on; an' others'll likely be weltin' away afore it's over. If things were as they used to be, Englan' would be sure to be in it for the sake of Hanover. That's a bit of a place in Jarmany that used to belong to the King of Englan'; an' when any war got up in that quarther, Englan' was into it to save Hanover. It has cost more corpses than would cover it an' as much money as would pay for diggin it up, puttin' it into big ships, an' ferryin' it 33-utf over to make a new wee State at the tail of New Jarsey. But now it has a king of its own, an' Englan' needn't fight for it. How-TOTICE IS HEREBY GIVEN that an ap- sniver, there's another place called Cobourg, Plication will be made to the Provincial that belongs to the Queen's brother-in-law, Parliament at its next Session for an Act to an' is expected to come to one of her sons, incorporate the Ottawa Water Works Company, an' there may be fightin' to save it-it may
