-The House, yesterday afternoon, concurred bill founded thereon was introduced and read a first time. On the motion for going into to be maintained. Committee on the tariff, amendment after amendment was moved in the interest of special branches of trade, but were voted down by very large majorities. In the evening the bill passed through committee and was read a third time. The currency bill was read a second time. . On the motion for going into committee, Mr. Brown moved to amend the bill by withdrawing the power to issue Provincial notes. The discussion lasted until halfpast twelve, when the amendment was voted down. The House sat until 2:25 o'clock this. Stephens, and place the utmost reliance upon

. In speaking of the causes which have led to

the resignation of the Hox. MR. GALT Leader not only approaches the subject wit a display of irritation against the Lower Canada majority which the circumstances do not justify, but falls into a couple of blunders to fact, which a closer observance of the proceedings of Parliament and a very small amount of reflection would have prevented. In the first place, our contemporary states that the Lower Canada majority were not they have. Let the blow be struck, and all pleased with the provision in the Local Co stitution requiring a three fourths vote to alte the representation, which had been inserted as a protection to the Protestant minority, and that Mr. Cauchon moved an amendment deprive the minority of that protection, while the fact was that the three-fourths proviso was expunged on the motion of the Hon. Mr. Gal himself, and instead thereof it was declared that the 12 constituencies mentioned in Schedule A, should not be changed as to representation except by a vote of the majority of their own re British, or Protestant, members in the Local Legislature shall have exclusive power to regulate the boundaries of these constituencies so that the French Canadian majority can never make such changes as would lessen the number of the British representation in Local Parliament. It was against this and no against the three-fourths majority of the whole that Mr. Canchon moved, and certainly the in support of his amendment did not evince a majority, to deprive the minority of the very

FIFTH SESSION.

LEGISLATIVE ASSEMBLY. THURSDAY, Aug. 9, 1866. The SPEAKER took the chair at 3 o'clock Some discussion took place as to the order f proceeding with public business.

the scheme?

Hon. Mr. GALT moved the reception of report of the Committee of the whole on certain resolutions respecting the currency. Mr. CARTWRIGHT desired to ask the government certain questions. 1st. Will Government pledge themselves positively that they will not use the

power of issuing legal tender notes if they can obtain five millions (\$5,000,000,) or so much thereof as .aay be requisite, by sale of their Debentures ? 2nd. Will Government consent not to enter into any definite arrangement with the Bank

therefore a vote of want of confidence. 3rd. In the event of the other Banks joint-

4th. Will Government pledge themselves to use power of issuing eight millions (\$8.-THE ATMOSPHERE.—It is greatly to be feared | 1000,000) legal tenders, only, in proportion to 5th. Are the Tpercent Debentures prepared

> Hon, Mr. GALT said as the Governmen had received no notice of the questions, he Hon. Mr. HOLTON suggested that the ques-

tions be printed forthwith. The report was then received. Hon. Mr. GALT moved the first reading of the bill founded thereon, -Carried, Hon, Mr. GALT moved that the House go

Hon, Mr. ROSE moved an amendment relating to the adoption of specific duties, &c. Hon, Mr. HOLTON said no opportunity has yet been afforded of discussing the Trade

Commission to the West Indies. After further remarks, Hon, Mr. McDOUGALL referring to the results of the West, India Commission, and the tariff adopted by the Government, said that a gentleman from Demerara, who had visited this place a few weeks since, after the whole question of the tariff had been dis Nor Satisfactory .- In our daily wanderings cussed, had been so well satisfied with the prospects of establishing direct trade with the West Indies, as to have arranged for two of sugar for the return trip. He believed that greater changes would yet be made with the view of offering better facilities for direct trade with those countries. Hon. Mr. ROSE'S amendment was lost

> Hon, Mr. DORION moved in amendment that the increased duties on ten and molasses be struck out. He briefly addressed the House n favour of the amendment.

> Hon, Mr. GALT contended that the amounts levied were not more than the exigencies of the country required. The Government did believe, from the prospect of the harvest which was uncertain in June, but which was now very favourable, that a larger revenue would be derived from customs and excise than had formerly been anticipated, but not more than would be required to meet the increased appropriations which the Government had found it necessary to ask the House The amendment was lost, Yeas, 29; Nays,

Hon, Mr. ROSE moved an amendment providing that rolled iron for the manufacture of nails be subject to a duty of ten per cent, Messrs, Rose, Dorion, Gibbs, and Smith, spoke in favor of the amendment.

Hou, Mr. GALT had been instructed by th

Government to say that they were not this time He did not think the case made out that this was the only way to save the credit of the country. He argued that it was a the member for Montreal Centre. Hon, Mr. McDOUGALL defended the tarif wrong principle to disturb the whole banking system of the country, without first having re-There was no special reason why this one article should be singled out from the free ferred the question to a committee, to be list, and placed under a merely protective thoroughly and carefully investigated.

Hon, M. C. CAMERON said members migh have some difficulty in explaining their votes in favor of the increased duty on tea. He had voted for that because he believed it required for the purposes of revenue, but h should vote in favor of this amendment because the government, in resisting it, were needlessly injuring the interests of an important branch of industry and that without any beneconfidence, because if this House should now fit to the revenue. Mr. McKENZIE spoke in favor of
