Mothers Read This !- Holloway's Worm Lozenges are a certain and safe remedy for Worms in Children and Adults .- As it is a wellknown and melancholy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing; and understanding the symptoms and true cause of the disease, thousands of children might be saved from early graves. Symptoms or Worms. — The following are a few of the very numerous symptoms and diseases which are caused by Worms: deranged appetite, emaciated extremities, offensive breath equent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits; itching of the arms, pain in the head and stomach, unquiet sleep, faintings, tremblings, coughs, indigestion, low spirits, frightful dreams, and a gradual waisting away of flesh.

They are palatable and self-administere, to the child—drive out the worms thoroughly will pain and completely cleanse the stomach—thereby doing away with the necessity of administering Castor Oil or other unpleasant cathartics—as in the use
