Among the presents was a he was going to New York by way of Buffalo gold tea service by Elias Howe, Jr., who, as I never head anything about the Fenians till Mr. T. Weller would say, is "the consekens of I got a letter from my son that he was arrested as one of them. He left our place about the 29th of May; was never, that I heard of, used to having finearms or drilling with them. Mr. McKenzie read a document signed by Moore Herrick & Davis, prisoner's employers, Saturday evening, about half-past '8 o'clock, which created considerable excitement in the town. A man named William Douglass, en-

some cohesive medium. In Keswick, 250,- fence, contending that the evidence only 000 pencils are made in a week, or 13,000,000 shewed from his own frank admission made to ball passing through her breast in the region Fenians, but there was no proof that he had been in arms or assisted them in any way. -The revenue commissioners of the United Mr. R. A. Harrison replied on behalf of the States estimate that over 42,000,000 gallons of Crown. Having a luded to the entry of the Fenians into the Province, and their designs, counsel asked -- Was prisoner associated with them, mented liquors, and 19,000,000 gallons of im- and was he then in arms? It was perfectly ported liquors are annually consumed in this true that he had been seen by none of the witnesses at Limeridge ; but it was not necessary in all cases to have evidence of that character : for, where the prisoner makes a voluntary statement, that statement was admissable. form of his wife, and in the act of putting a Prisoner made such a statement, not to one, but to several. In all cases these statements were substantially the same, and they were, Mrs. S. A. Allen's World's Hair Restorer and further, in certain material respects, borne out Zylobalsamum. They have changed my hair by his mother. Having recounted the eviindifferently that it was merely an accident.

It is reported that both Douglass and his wife were given to intemperate habits, and lived inharmoniously, and the supposition is article? Sold by all druggists. Depot, 193 the Fenians had been proved by several witGreenwich Street. New York.

The important question remained, of passion while maddened with drink.—

That the dreadful crime was committed in a fit remedy for the cure of nervous weakness, early dewhat was their purposes in coming? That he must have known it could hardly be doubted. for he was with a body of men coming from a foreign territory to levy war on a country where they had no cause for war. ject to certain definite laws, and definitions, His Lordship then charged the jury. It comes through cheerfulness, and sincere

Mr. McKenzie submitted a number of obedience to natural and moral laws. jections to His Lordship's charge. The slender conduits of a flower or leaf, the The jury retired at twenty minutes past four, finest nerves in an insect's eye, are regulated and at twenty minutes to six returned with a by many laws. Surely, then, the career of nations is not without an appointed orbit .-Hon. Mr. Cameron - There is nothing else | Chapin. against the prisoner, my Lord. He may be Christian strength consists in the possession
