City and County Official Paper.

OTTAWA, DECEMBER 13, 1866.

Fast Arrival and Departure of Mails see let page.

The city was all agog yesterday afternoon with a country capable of sustaining twenty that the authorities would confer a favor with a rumor that as telegram had been re- times that number, are strongly embued with acceping their drunkards in quarters. Now, large majority." It is hardly necessary for subjects in any other portion of its dominione, of the 100th. of nonsense, kept affect perhaps by some with the anti-colonial party, and would fight ters of the 100th regiment, Colonel Campbell augurated for some time. It will be of great ing works done at their own properties and ing works done at their own properties are the properties at the properties and their own properties are the properties at the properties are the properties at the propertie tun-loving wights for their own amusement- any day rather than throw away the meanest presented Sergeant Winfield, tormerly of the Council. Then throw away the meanest presented Sergeant Winfield, tormerly of the Council. Then throw away the meanest presented Sergeant Winfield, tormerly of the Council. But, if traced to its source, we should not be territorial appendage of the Empire, and he 17th, and now belonging to the R. C. R.'s, with understand, intend making a call at an early at the closing up of the year's business, all understand, intend making a call at an early at the closing up of the year's business, all in the despatch cent some days ago to the which these Colonies will at no distant day be the usual gratuity. Coloniel Campbell passed by this road, and it is to be hoped the response the Council, found a majority of the despatch cent some days ago to the which these Colonies will at no distant day be Montreal Transcript, noticed by us on Saturable to contribute to the maintenance of the a high compliment on the sergeant, and said day morning, which may have gathered prestige of the parent State in case of trouble. that he felt as much pleasure in presenting the age, in addition to its indirect advantages. strength on its travels, like the tamous story | Carried away by a foregone conclusion that medal as did the sergeant in being the re-"the three black crows," and been tele- some day the Colonies of England will be in- cipient of it. At all events, the statement affoat vesterday, of the receipt of a cable despatch to the above effect, was an utterly baseless canard.

Our readers will have noticed in yesterment of W.F. Powers, E-q., M. P. P., to the torward career as a politician, but also be tached to the conclusion they draw from cause of his unvarying attention to matters of individual interest which properly came

before him as their representative. Though Mr. Powell's retirement will be thus generally regretfed by his friends, we are care that seldom has any public man left the political arena to accept a position of high trust and responsibility with a more unantmous approval on the part of the public at large, and it must be a satisfaction to him Gallant Conduct of a Life-Boat's Crew. to know that in his new position, the du ties of which he is so well qualified to Several Bills Filed to Hold U. C. Bank discharge with satisfaction, he will be sustained 1 st only by the approval of his friends but by the confidence of the public, irrespective of any considerations of political, national, or sectaman differences. He should feel persecution that usually follows public men from parliamentary to official life, and still same or adjoining premises. The fire broket strong, Robert Booth, George Blythe, Samuel Strong, Robert Booth, George Blythe, Samuel Borbridge, Geo. Buck, Carter Burpee, Michael Burpee, Michae happier that this immunity is doubtless in a out in the stables in rear of the premises, and M. Garland, Bartholomew Gilligan, Charles great measure due to his own honorable, was first discovered between one and two Magee, James Montgomery, Samuel Mulligan past. He enters on the duties of the shric-tity of harness and other articles, all of which were consumed. J. MACDONALD,

Lady and Gentleman, 75 cents.

Lyon, at the meeting in St. George's Ward, PESTH, Dec. 17.—It is rumored, and appar- I able. An alkali does not more certainly neutralize an acid than Bristol's Sarsaparilla deprives of the season an appeal is made to benevolent the scrofulous and syphilitie virus of its sting. It retained scats for so many years in the Council, and that their abilities or influence had cil, and that their abilities or influence had failed to improve the manner of the working never known disease. Of course, to effect so great a change, it is necessary to continue the use of the Sarsaparilla a number of months. Bristol's Bethlehem, whose mercies we will be commemorat-Vegetable Pills should at same time be used in ing in a special manner, to lend an attentive ear to the call of the Young Ladies of the Ottawa Convent, who respectfully request you will patronize the little Bazaar held for their benefit.
