COVERNMENT IMMIGRATION OFFICE. Quesso, 25th January, 1866.

The Honourable the Minister of Agriculture and Immigration, having authorized the publication, by this Department, of an occasional paper, to be call-ed the "CANADA IMMIGRATION GAZETTE," which will be devoted exclusively to the encouragement of Immigration, and to the diffusion of accurate and useful information concerning Canada abroad, I beg leave to bring under your notice the advantages this sheet will offer as an advertising medium to land owners, and others having properties for sale or lease. As information of this kind is eagerly sought for, and much valued by every intelligent emigrant, means will thus be afforded of placing the intending purchaser or lessee in Great Britain in direct communication with the property.

The flonourable the Minister of Agriculture and Immigration has also authorised the opening of an Information Office in Liverpool, under the management of Mr. Wm. Dixon, a gentleman well acquainted with this and the mother country, who will be specially charged with the distribution of this paper throughout the United Kingdom, and in bringing the same prominently under the notice of the emigrant.

The first number will appear in the course of next month, the second in April, bringing down the information to the latest period, to be followed up monthly or quarterly, as may be required.

As the space it is intended to allot for advertising purposes will be limited, and in view of the large circulation the sheet will obtain, [for it will be distributed gratuitously], the prices of advertisements cannot be much lower than the following:—

DRIGGS' NEW PATENT RE THE ONLY INSTRUMENTS They have greater strength, and will remain langer in Tune, than any other Piano. The construction is simple and natural, all the extrancors lember in the body of the instrument is dispensed with ; the sound boards are merely two arched plants of thir wood, like the front and back of a victin; the strings are attached to a strong iron frame, which is separated and entirely independent of the case, thereby dispensing with the old harp form of string ing by substituting straight bridges, preserving at the same time the Over Strung Bass, of which Mr. Daiggs is the Inventor. By these improvements we gain much more vibratory power, at the same time preserving all its purity and richners of tone. They have received the highest testimenials from the press, and all the principal artists in the cran-

Among the most important of modern Medical Dis-coveries stands the CANADIAN PAIN DESTROYER! Side, Back and Head, Coughs, Colds, Sore Throat Sprains, Bruises, Cramps in the Stomach, Cholera Morbus, Dysentsry, Bowel Complaints, Burns, Scalds, Frost Bites, &c., &c.

THE CANADIAN PAIN DESTEOYER HAS now been before the public for a length of time, and whenever used is well liked, never tailing in a single instance to give permanent relief when timely used, and we have never known a single case of dissatisfaction where the directions are properly followed; but on the contrary, all are delighted with its operations, and speak in the highes terms of its virtues and magical effects. We speak from experience in this matter, having tested it thoroughly, and therefore those who are suffering from any of the complaints for which it is recommended may depend upon its being a Sove-

reign Remedy.

The astonishing efficacy of the Canadian Pain Destroyer, in curing diseases for which it is recommended, and its wonderful success in subduing commended, and its wonderful success in subduing the torturing pains of Rheumatism, and in relieving Nervous Affections, entitle if to a high rank in the list of Remedies for these complaints. Orders are coming in from Medicine Dealers in all parts of the country for further supplies, and each testifying as to the universal satisfaction it gives.

The Canadian Pain Destroyer never fails to give immediate relief. All Medicine Dealers keep i Physicians order and use it; and referrible in the country for the country fails to give immediate relief. MacCarthy, J. Jennings, W. M. Massey, and Geo.
