New Year's presents would do well to call on -The father who said I will give my son a pleasure of meeting with a large number of the fortune—one that the upheavings of time shall electors of Wellington Ward. The assurances of at the office of not rob him of-a sound commercial educa- support I have received on all sides have detertion was a wise man. The Canadian Commer-

-A considerable anxiety on the part some watch manufacturers has been made known by their warfing the public to beware of counterfeits. The genuine Sewill Watch, management of the affairs of our rising city. the watch adopted by the Admiralty as the

pon the invitation of the Queen, sailed up that a melanchely case of self-murder occurred on Sunday, near Titusville, Pennsylvania. The following schedule of misfortune was found in the victim's left boot :- " I married a widow who had a grown up daughter. My father visited our house very often. fell in love with my step-daughter, and married her. So my father became my son-in-law, and my step-daughter my mother, because she was my father's wife. Some time afterward my wife had a son-he was my father's brother-in-law, and my uncle, for he was the this city brother of my step-mother. 'My father's wife -i.e., my step-daughter-had also a son; he time my grandchild, for he was the son of my daughter. My wife was my grandmother, because she was my mother. I was my wife's York Yacht Squadron-the health of J. G. And as the husband of a person's grandmother husband and grandchild at the same time. Bennett, Junr., and a host of other toasts of a is his grandfather, I was my own grandfather. Maj.-Genl. Seymour, by command of the
