THE CONDITION OF WELLINGTON

Sins,-The interests of Wellington Ward, in

your care, no apology is necessary for remind-

ance to its inhabitants than its sanitary condi-

tion, and that this is at present by no means

satisfactory. Surrounded by Queen, Metcalfe,

O'Connor and Slater streets there is a pestilen-

tial swamp, which was represented by the late

Board of Health in a communication to your

predecessors in the corporation, as certain to

produce the most deadly effects if cholera

should visit us. Nothing was done. Cholera

is hovering over the continent, slaying its vic-

ims in Cincinnati, Chicago, New York and

each of the four streets bordering this danger-

ous morass, individuals suffering from the low

fever produced by pestilential exhalations. Doctor Grant and other respectable medical

practitioners will not hesitate to corroborate

this statement if consulted on the subject.

This swamp should at once, now, be filled up

and the water which lies upon its surface

be thus forced to flow into the deep drain

which already exists in Metcalfe street. The

owners of the property, I am credibly informed, are independent and well able to perform

this duty. The corporation has the power to

compel them to do it, and with you gentlemen

it rests to urge the corporation to do what

should long since have been done. The

mercy of divine Providence shielded this city

from cholera in the year which has jus

Mr. Bangs being loudly called for, came forrality and life are placed in the balance friends in the ward, with a numerously-signed gainst a few pennies in the pound of taxa- requisition, he had consented. It had been tion, or against, and this is even worse, the said by Mr. Perkins, at the poll, that Mr. Abbott should be watched, but he believed that all should be watched. He thought that one of the things required to be done this year was the appointment of proper assessors. With regard to the city expenses, he would not en courage large outlays; he would have all absolutely necessary repairs, just what was necessary for the convenience of the citizens had been expended on drains which were of comparatively little service. Mr. Bangs con a swamp hole cannot, or ought not to be cluded by cordially thanking the electors for returning him, and promised to do all in his power to serve the interests of the city. Mr. Bate being called on, said he had no

considerable expense, to improve the capitat ing him, and would endeavor to discharge his and make it worthy of its high estate, but, duty; he would vote for no improvements but very much yet remains to be effected, and in what they had money to pay for. He did not e believe the city cannot even afford to the streets. It was better to wait till they had money to pay for their work, and then they could get it done properly.

Mr. Abbott said he did not agree with those who complained that the corporation work had not been done well and economically. He said the work of the corporation had been done by tender, and had been done as well and cheaply as it could be done. He had spent a great deal of his time in looking after the interests of the city. He was not confined by six in the evening, and therefore had been on the 20th, and Mr. Brown failed to keep his places it within the power of the corporation attending to the interests of the city. The to abate the nuisance without costing the speaker concluded by thanking the electors

promised that his correspondent would, no city a cent; and certainly, if the members of for returning him. the council, through any mistaken ideas of Mr. Lyon said all had for a long time pa after the lapse of a fortnight, this promise also personal consideration, should neglect to been talking more or less of the wrongs enremains unfulfilled.
