FINANCE DEPARTMENT, CUSTOMS,
OTTAWA, 19th March, 1866.

SIR,—I have it in command to call your special attention to the annexed copy of a Despatch from the Secretary of State for Foreign Affairs, to the Governor-General of this Province, conveying Her Majesty's orders that no Chilian or Spanish armed Vessels be allowed to bring their prizes into British Waters.

I am, sir,
Your obedient servant,
P.S.M. BOUCHETTE,
Commissioner of Customs and Excise.

The Collector of Customs,
At Sea Ports in Canada.

The Earl of Clarendon to Mr. Cardwell.
Foreign Office, 2nd February, 1866.

SIR,—Her Majesty's Government being desirous of observing the strictest neutrality in the contest between Spain and the Republic of Chili, they propose, with a view of more effectually carrying into effect this principle, to interdict the Armed Ships, and also the Privateers of both parties, from carrying Prizes made by them into the Ports, Harbours, Roadsteads, or Waters of the United Kingdom, or any of Her Majesty's Colonies or Foreign Possessions.

I have accordingly to acquaint you that the Queen has been pleased to direct that orders in conformity with the principles above stated, should forthwith be addressed to all proper authorities in the United Kingdom, and to all of Majesty's Naval or other authorities in all quarters beyond the United Kingdom, for their guidance in the circumstances.

I have, &c.,
(Signed,) CLARENDON.

CUSTOM.

DOWNING STREET,
February 26th, 1866.

SIR,—Her Majesty being fully determined to observe the duties of Neutrality during the existing hostilities between Her Catholic Majesty and the Republics of Chili and Peru, and being therefore resolved to prevent, as far as possible, the use of Her Majesty's Harbours, Ports, and Coasts, and the Waters within Her Majesty's Territorial jurisdiction, in aid of the warlike purposes of either Belligerent, has commanded me to communicate to you, for your guidance, the following Rules, which are to be treated and enforced as Her Majesty's Orders and Directions:—

1. Her Majesty has been pleased to command that these rules shall be put in force in the United Kingdom, and in the Channel Islands, on and after Friday, the 2nd of March next, and in Her Majesty's Territories and Possessions beyond seas six days after the day when the Governor or other Chief Authority of each of such Territories or Possessions respectively shall have notified and published the same, stating in such notification the time when Rules are to be observed by all persons within the said Territories and Possessions.

2. During the continuance of the present Hostilities between Her Catholic Majesty and the Republics of Chili and Peru, all ships of War and Privateers of either Belligerent are prohibited from making use of any Port or Roadstead in the United Kingdom of Great Britain and Ireland, or in the Channel Islands, or in any of Her Majesty's Colonies or Foreign Possessions or Dependencies, or of any Waters subject to the Territorial jurisdiction of the British Crown, as a Station or a place of resort for any warlike purposes, or for the purpose of obtaining any facilities of warlike equipment, and no Ship of War or Privateer of either Belligerent shall hereafter be permitted to sail out of or leave any Port, Roadstead, or Waters, subject to British Jurisdiction, from which any Vessel of the other Belligerent (whether the same shall be a Ship of War, a Privateer, or a Merchant Ship), shall have previously departed, until after the expiration of at least Twenty-four hours from the departure of such last mentioned Vessel beyond the Territorial jurisdiction of Her Majesty.

3. If any Ship of War or Privateer of either Belligerent shall, after the time when this Order shall be first notified and put in force in the United Kingdom, and in the Channel Islands, and in the Colonies and Foreign Possessions or Dependencies of Her Majesty respectively, enter any Port, Roadstead, or Waters belonging to Her Majesty, either in the United Kingdom or in the Channel Islands, or in any of Her Majesty's Colonies or Foreign Possessions or Dependencies, such Vessel shall be required to depart and put to sea within Twenty-four hours after her entrance into such Port, Roadstead, or Waters, except in case of stress of weather, or of her requiring provisions or things necessary for the subsistence of her Crew, or repairs, in either of which cases the Authorities of the Port or of the nearest Port (as the case may be), shall require her to put to sea as soon as possible after the expiration of such period of Twenty-four hours, without permitting her to take in supplies, beyond what may be necessary for her immediate use; and no Vessel which may have been allowed to remain within British Waters for the purpose of repair shall continue in any such Ports, Roadsteads, or Waters, for a longer period than Twenty-four hours after her necessary repairs shall have been completed: Provided nevertheless, that in all cases in which there shall be any Vessel (whether Ships of War, Privateers, or Merchant Ships) of the said Belligerent parties in the same Port, Roadstead or Waters within the Territorial jurisdiction of Her Majesty, there shall be an interval of not less than Twenty-four hours between the departure therefrom of any such vessel (whether a Ship of War, a Privateer, or a Merchant Ship) of the one Belligerent, and the subsequent departure therefrom of any Ship of War or Privateer of the other Belligerent, and the times hereby limited for the departure of such Ships of War and Privateers respectively, shall always in case of necessity be extended so far as may be requisite for giving effect to this proviso, but not further or otherwise.

4. No Ship of War or Privateer of either belligerent shall hereafter be permitted while in any Port, Roadstead or Waters, subject to the Territorial jurisdiction of Her Majesty, to take in any supplies, except provisions, and such other things as may be requisite for subsistence of her Crew, and except so much coal only as may be sufficient to carry such Vessel to the nearest Port of her own country, or to some nearer destination; and no coal shall be again supplied to any such Ship of War or Privateer in the same or any other Port, Roadstead, or Waters, subject to the Territorial jurisdiction of Her Majesty, without special permission, until after the expiration of Three months from the time when such coal may have been last supplied to her within British Waters as aforesaid.

I have the honor to be, Sir,

GOVERNMENT IMMIGRATION OFFICE,
QUEBEC, 25th January, 1866.

SIR,—
The Honourable the Minister of Agriculture and Immigration, has directed me to call your attention, by this Department, of an occasional paper, to be called the "CANADA IMMIGRATION GAZETTE," which will be devoted exclusively to the encouragement of Immigration, and to the diffusion of accurate and useful information concerning Canada abroad. I beg to take leave to bring under your notice the advantages this sheet will offer as an advertising medium to land owners, and others having properties for sale or lease. As information of this kind is eagerly sought for, and much valued by every intelligent emigrant, means will thus be afforded of placing the intending purchaser or lessee in Great Britain in direct communication with the property-holder here.

The Honourable the Minister of Agriculture and Immigration has also authorized the opening of an Information Office in Liverpool, under the management of Mr. Wm. Dixon, a gentleman well acquainted with this and the mother country, who will be specially charged with the distribution of this paper throughout the United Kingdom, and in bringing the same prominently under the notice of the emigrant.

The first number will appear in the course of next month, the second in April, bringing down the information to the latest period, to be followed up monthly, or quarterly, as may be required.

As the space it is intended to allot for advertising purposes will be limited, and in view of the large circulation the sheet will obtain, [for it will be distributed gratuitously], the prices of advertisements cannot be much lower than the following:—

For each advertisement, not exceeding ten lines, 32 the insertion,.. and 8 cents for every extra line.

For a square of 22 lines, to stand for a twelvemonth, $6.

In all cases, advertisements must be prepaid, and an early transmission is recommended.

The undersigned will gladly receive communications of a practical character for publication, bearing on the subject of Immigration, such as letters from actual settlers, showing their progress in the country, and pointing out the peculiar advantages of their district in particular, &c. It is desirable that they should be written as concisely as possible, and be free from anything like exaggeration.

I am, Sir,
Your obedient servant
A. C. BUCHANAN, Chief Agent.
