PIANO - FORTES!

DRIGGS! NEW PATENT A RE THE ONLY INSTRUMENTS constructed on a truly Scientific Principle. They have greater strength, and will remain longer in Tune, than any other Piano. The construction is simple and natural, all the extrangous lumber in the body of the instrument is dispersed with the sound boards are merely two arched planks of this wood; like the front and back of a violin; the strings are attached to a strong iron frame, which is separated and entirely independent of the case, thereby dispensing with the old harp form of string Danges is the Inventor. A NILLUSTRATED CATALOGUE CONTAINof the most eminent musicians, as to the superior THE GREAT PURIFIER OF THE BLOOD excellence of our instruments-will be sent free to The Automatic Organ. In presenting the AUTOMATIC ORGAN, we boldly

announce the greatest triumph in musical instruments of the age. During the past half-century, the French and Germans have manufactured reed instruments with double bellows, and two pedals for the feet to operate, but the want of the reversed or body rendered unhealthy by the heavy and greasy secretions of the winter months. This safe, though powerful detergent, cleanses every portion of the system, and should be our instruments are celebrated.

Another objection to this method of blowing was, that both feet being occupied, no opportunity was. offered for the management of the swell. Within difficulty (want of a swell) a lever has been pro-Scrofula, Old Sores, Bolls, Tumors, Ab- jected from the centre of the Instrument, to act upon upon the swell, AND OPERATED BY THE ENER.
