GOVERNMENT NOTICE.

NOTICE TO MARINERS. The following important notice to Navigators has been issued from the Colonial Office, Natal, in reference to a Light House, erected on the Bluff, at the South side of the entrance of the Port of Natal, to which the attention of all concerned is specially directed.

GOVERNMENT NOTICE.

GOVERNMENT NOTICE. No. 122, 1866. HIS EXCELLENCY the Administrator of the Government directs the publication, for general information, of the following Notice of the erection of a Light House on the Bluff, at the South side of the entrance of the Port of Natal.

GOVERNMENT NOTICE.

NOTICE TO MARINERS. A Light House has been erected on the Bluff, at the South side of the entrance of Port Natal, at an elevation of 292 feet above high water, a light from which will be exhibited on the 23rd January, 1867.

GOVERNMENT NOTICE.

NOTICE TO MARINERS. The above light is not visible from the Alival Shoal, which is 25 miles S. 55° W. from the Light House: vessels should, therefore, when coming from the Southward and Westward, approach the shore nearer than 4 miles, or should they make the light well out from the shoal, when they may stand in until it bears N. 59 1/2° W. which bearing will keep them clear of all known dangers—until they are abreast of the Unalva River, (about 9 1/2 miles below the Light House), when they must keep it to the Northward, and the least distance from the shore, giving the shore a good berth of a mile, and when the light bears about E. N. E., they can haul in to the Northward for the anchorage: anchoring in S. to 10 fathoms, with the Light House bearing S. W. to S. W. 1/2 S., distant 1 mile.

GOVERNMENT NOTICE.

WHEREAS, by the "Foreign Despatch" Act, 1852, it is provided that whenever it is made to appear to Her Majesty that due facilities are or will be given for recovering or apprehending any person who has been convicted of any offence committed in the territories of any Foreign Power, Her Majesty may by order in Council, stating that such facilities are or will be given, declare that seamen not being slaves, who desert from merchant ships belonging to such Powers, when within Her Majesty's dominions, shall be liable to be apprehended and carried on board their respective ships, and may thus be restored to their respective ships, and may under the operation of such Order, and may under the operation thereof, be deemed expellible; and whereas it has been made to appear to Her Majesty, that due facilities are given for recovering and apprehending seamen who desert from British merchant ships in the territories of their Majesty the King of Spain.
