The Trade Review of the 8th instant, i speaking of Canada produce abroad, says it of the minorities, nor encroach upon the legishas often been remarked that Canadian pro- lative powers of the majorities in each produce has not been held in that repute abroad | vince, and the country may fairly await the which it ought to have enjoyed. Our con- arrival of the text of the bill, for enlighten temporary says that a well-informed writer | ment upon this as upon other points without states it to be the result of the tricks practis- alarm. ed by American dealers, and says:-"If a e quantity of soft, oily pork reached Liver-"pool, it was ticketed 'Canadian.' Queer "lots of flour, unsound in quality and defici-"ent in weight, were sure to be 'Canadian, " and our butter has been quoted, for the "same reason, from Canadian to cart tion of British Columbia and Vancouver Island "grease.' The same with petroleum and was taken into consideration, and the follow-"other products, so that to have a lot of ing resolutions with reference thereto were " Canadian' on hand, no matter of what unanimously adopted. We are glad to notice "kind of produce, was as much as to adver that the members have taken a very favorable "tise a discount in advance."

This bad reputation of Canadian produce formerly prevailed even in the neighboring provinces, but we learn from the Review that since shipments have been made direct from Canada it has happily disappeared, and our provincial friends have expressed "no little astonishment at the excellence of Canadian "flour, which is openly stated by many to be "the best they have ever obtained." 'As Canadian produce reaches other markets direct from Canadian ports, instead of through American channels, we may hope for a like satisfactory result to follow, and we shall be quences of the abrogation of the Reciprocity Treaty, and the "starving out" process generally, which was to have driven us into annexation, but didn't.

It may hardly be worth while in anticipa | Europe would be overcome, namely, the nethe oversaling influence of events, have undergone. But the comments of a portion of the press both in Eastern and Western Canada betray such a palpable disregard of the are of opinion that if there was a certainty of is the report of a committee of the Kentucky she said she could not tell; he then asked her ished from our vocabulary as a superfluity. tioulars, that a reminder regarding them will grants for British Columbia, the company not be out of place.

The point of interest it need hardly be said, with our contemporaries alluded to, has however, is a question which can only affect tion; and while in the East it is affirmed, tion of the shareholders. the Local to the Federal Parliament, in the homestead law, similar to that in force in ment is made transferable, and will be taken West it is as stoutly affirmed that such a pro- some of the States of the neighboring Repub- in payment of debts due to the bank, and so Vision would be a gross violation of the com- lie, would prove a stimulus to emigration and will be saleable at any time." pact entered into at Quebec in 1864, and be of great ultimate advantage to the settler. since solemnly confirmed by the action of the ver Island, as a tree port, the importance of Legislature, and the consent of the people. which this Board recognises, together with "If this right of appeal," we are told, " is other projects for the development of the trade "Parliaufents, then one of the greatest ad-Vantages anticipated from Confederation tum, which is probably from the pen of one of |.
