City and County Official Paper.

OTTAWA. FEBRUARY 23, 1867.

The action of the Quebec Fire Relief Commite. in reserving \$200,000 for building purposhas not only excited the comments of the pated press in a manner not very flattering to the committee, but has actually stopped contriautions in various parts of the country. The lingston News says:

" In various parts of Western Canada, funds ollected for the relief of the sufferers by the reat fires have not been sent to Quebec, lint turned to the subscribers, on account of a want of confidence in the committee which this appropriation amply justifies. In Kings- on Broadway, and two small stores adjoining therities, and which will be adjudicated upon on subscriptions have, been collected, sixt hose that were raised at first were sent on. atterly, however, the most complete indifrence has been manifested on account of the formation which has been received from nebec, and within the past week the funds hand collected by one of the ward comnittees have been returned to the individual

We cannot say that we feet rejorded at the ews regarding the name of the Confederation. the new names imposed on Upper and has been decided to give the name of "Canalower Canada. To designate the confedeated provinces by the name of "Canada" will probably be held as a cause of diffence by | vinces will retain their present names. The the people of the maritime provinces, and we still think that "British America" would rather larger grants from the Federal treasury, have been a preferable title, while the restoraion of the ancient name of " Quebeo" to cover the whole of Lower Canada will lead to penitentiaries are transferred from control of innecessary confusion. There are already Local to Federal Legislatures, and the Separate the City of Quebec, the County of Quebec, the County of Quebec and the District of Quebec; and these we think quite enough without adding also the Propince of Quebec. Then as to the pew name vince of Quebec: Then as to the new name thus: Upper Canada 24 members; Lower Canafor Upper Canada, how on earth can we make | da 24; Nova Scotia and New Brunswick 24. An engine and cars were sent to the spot, and to believe that it was, for there could be no an adjective out of it? "Quebecker" is bad Lower House-Upper Canada 82; Lower Cana- all the passengers taken on their way. We motive to burn a dead man, especially about the furnace yield amounted to 13,832 tons of enough and ugly enough in all conscience, but da 65; Nova Scotia 19; New Brunswick 15. what will the world do when it has to talk of at the Music Hall last evening, was a splendid an-Ontarionian? Why, the word is a "perfect affair. The hall and entrance were magnififright," and will be abominated by every one cently decorated. A very large number of who has to submit to it. For the name of a from a distance lake "Ontario" sounds very prettily, and for the name of a county in Upper Canada no one would care much to object to its use. year. But we know not why the lake and the county should be confounded with the Province in the West, except to match the confusion in Two men were badly hurt and several others. the East, where city, county, district, and slightly injured province are all to be jumbled together. However, we presume it is too late now to mend the matter, and bad as it is, we are glad that no "fancy" names were coined either for the Confederation or for the two attacked and attempted to burn a saw mill be-Provinces, which can no longer lay special claim to the name of Canada. Neither need we of the Eastern or the Western Province several of the nearest settlements destroyed. much complain of our new titles for they are at least as expressive, and we should think as easily to be borne as those of Nova Scotia and New Brunswick. A little practice and familiarity will reconcile the people

that New Brunswick is to receive somewhat larger grants from the Federal treasury than time confederation will be offered when con- of them, continued at large. This is the boy were approaching a small negro settlement those provided for in the Quebec scheme, sidered opportune. The concession of such a point has doubtless only been made by the Canadian delegates after a full consideration of the claims of that province, and we cannot believe that serious objection can be urged by any one in Canada to the departure from the Quebec scheme in this particular, while the statement regarding the School question, if it is to be relied upon, and we may say we have good reason to believe that it is correct, in so far as the conferring of equal privileges on the minorities of both sections, will at once put an end to the need- to the Deputy Chief Executive of the Irish less anxieties of many parties, both in the Republic that some persons have applied for
