MR. BROWN ON THE CONFEDERA-

The Leader ot Saturday thus effectively dis poses of Mr. Brown's objections to some of the terms of the Quebec scheme :

discuss this point that these local grants have considerations to pass for the present, we formally opened yesterday. The King is to by known as "The Kingdom of Canada," | would call attention to the grand climax at | Prussia, the members of the Royal Family House is to be styled "The Senate." Lower According to Mr. Brown's way of treating for ages. All hopes for the future welfare of figures, they are so enormous that in 1867; the the nation now rested on the accomplished Governments will be known as the Provinces | will be enormous-New Brunswick receiving | the Parliament to form a new constitutional of "Ontario," "Quebec," " Nova Sortia," and a much greater amount per head than Upper | union which would be defensive in its charac-" New Brunswick." "Ontario," (Upper Canada. Now, what will be thought of the 'ter, and give unity, energy and power to the Canada,) has one Legislative Chamber—the slight changes which, it is alleged, have been made in the Quebec scheme what is justly attributed to the Quebec scheme itself-which Mr. Brown was a party in framing, and which he has not ceased to declare is the perfection | united. of human wisdom. The annual grants were the stipulated number 72 but it is limited to | not to increase with the increase of population; and, accordingly, taking the natural increase of population at Mr. Brown's own figures, | Works for Cuba. Upper Canada would, as a matter of course receive less per head now than the other provinces-because her population has increased more rapidly. Accordingly the head rate this year would be :-Upper Canada ...... 62 cents.

> Mr. Brown said his newspaper saw nothing wrong in supporting a scheme which gave No- The Submarine Cable between Cuba and va Scotia 13 cents per head more than Upper Canada; and which gave New Brunswicktaking into account the direct grants she was to get under that scheme-an equally large rate. A modern Rip Van Winkle, he has been asleep for the past few years, and only wakes up now | will be laid next November. A submarine to show the inconsistencies of the plan to which he gave his sanction. He now most plainly condemns his own action.

But, besides this, we charge that Mr. Brown has falsified the figures for the purpose of making the difference between New Bruns- arrived in Washington, and is negotiating for ernor and five officers: An Attorney-General, wick and Upper Canada appear greater than the purchase of American small-arms. Provincial Secretary, Commissioner of Crown | it is. He has no right to assume \$314,638 as ceive. It is a mere assumption of his ownnothing more or less.

Again: It is said the four members of the Legislative Council which were to have been given to Prince Edward Island under the Quebec scheme are to go to the two previnces, Nova Scotia and New Brunswick, until such Confederacy. If there was one point upon which opinion agreed, it was that the Marition in the Council of the General Legisla-Whatever little advantage they may isolation of Prince Edward Island, we may well accord them : that province connot long

Brown, however, thus comments :-"Under the Quebec scheme, the injustice to Upper Canada was marked enough-but to Ray County. The St. Louis Petroleum Com add to it in this manner was totally indefensi-ble. Why, the three provinces of Lower Canaday. da, Nova Scotia and New Brunswick united Lospon, Feb. 25. - Midnight. - Consols have but 150,689 people more than Upper closed at 91; 5-20's 731; Illinois Central 771; Canada, and yet they are to have 48 Legisla-Every Upper Canada Councillor will thus represent 75,085 people while the average of all the rest will be but 40,682. The thing is ut-

"Under the Quebec scheme the injustice to " Upper Canada was marked emough " says to Upper Canada by the Quebec scheme, who | 400 were killed, and most of the remainder of was one of the authors of, and consenting parties to, the scheme which he now declares was unjust to Upper Canada? We must charitably suppose that when he penned these words he was not in his right mind. We see no other reasonable explanation of such wanton recklessness and misrepresentation. And then there is the old idea of represen-

tation by population brought in-as if it had out at the end of January, and had gained councillors to the general legislature. Canada ported to have been invited to send delegates has nearly six times the population of New to Constantinople, to treat with the Gov-Brunswick. Under the Quebec scheme Canada | ernment. would have had twenty-four representatives in the Legislative Council and New Brunswick ten! This was the arrangement which Mr. Brown applauded as the neplus ultra of earthly wisdom. New Brunswick, it is said, is to get two councillors more for a short time; and therein Mr. Brown sniffs rank injustice to Upper Canada. What nonsense! If the Mari- freighted with corn and meat to her utmost time Provinces together are to have the same number of councillors as Upper Canada, we because the delegates did not desire to disturb the balance which the Quebec scheme created Brown has been recreant to his professions.

TELEGRAPH FROM FALMOUTH

TO AMERICA. [From the Plymouth (Eng.) Mercury.] Another project for a telegraph across the Atlantic has been announced under the title of the British and American Telegraph Company, the route being eig Falmouth and Halifax. The systems to be followed are those known as Allan's, and the capital is £600,000 with power to increase, in 30,000 shares of \$20 cach. Of those 10,000 shares, fully paid contract for the manufacture of the cable. £2 is payable on allotment; £3 on the 20th March; £5 on the 20th May; £5 on the 20th July £5 on the 20th September. Arrangement are to be made for facilitating the through traffic with Hamburg, Bremen, Antwerp, and other important Continental seats of commerce. The direction includes some good names, especially those connected with Nova Scotia, New Brunswick, Canada and America and it is believed there is a fair chance of the project becoming successful. The directors state that they have secured the extensive right to use the well-known cable and deepsea telegraphy perfected and patented by Mr. Allan, which effects a saving of about one- rial explanations touching Reform, says: The Friday and Sainraay, March 151 and 211 third in cost of construction, with extra work- hope of settling the question in this session ing powers, on the following terms :- A of Parliament depends upon the resolution of charge of 5 per cent, on the capital of the House to take it out of the hands of Mincompany, with a deferred royalty on profits isters, and carry it through by their agency of 10 per cent, one-half only to take rather than by their guidance. effect when the net profits exceed 10 per cent, and the remainder not to take effect un- parliamentary statements, police and military til profits exceed 20 per cent.
