L'UNION ST. JOSEPH.

General Meeting. On Tuesday evening, a general meeting of the St. Joseph's Friendly Society (L'Union ! Joseph) was held in their hall, Sussex-street. There was a numerous attendance of members, this evening. Loss about \$10,000 many of whom brought their families.

The Right Rev. the Bishop (R. C.) of Ottawa and several of the Rev. clergy occupied seats on the platform. After a good deal of routine business, reading of reports, making grants to the infirm, balloting for new members, &c., the Bishop made an eloquent and encouraging address in the French language.

Having had no French reporter at the meet-

ing we cannot pretend to give a complete idea

of this discourse, which showed how great interest his Lordship takes in the well-being of the working classes. After commenting on the general objects of the society, and the orderly and almost parliamentary way in which, as the proceedings of the evening tes tified, their business was conducted, the Bisho continued to observe that such a society would be an advantage and a blessing to the community, if it were only on account 1867-New York: L. A CARD TO INVALIDS. A clergyman, while residing in South America as a missionary, discovered a safe and simple remedy for the cure of nervous weakness, early decay, diseases of the urinary and seminal organs, and the whole train of disorders brought on by baneful and y cious habits. Great numbers have been cured by this noble remedy. Prompted by a desire to benefit the afflicted and unfortunate, I will send the recipe for preparing and using this medicine, in a sealed envelope, to any one whe needs it, rece of charge. Who is Mrs. Winslow !- As'this question requently asked, we will simply say that she to lady who, for upwards of thirty years, has untringly devoted her time and talents as a female physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as purse and physician, she has compounded a Soothing Syrup, for children teething. It operates like magic—giving rest and health, and is, moreover, sure to regula bowels. In consequence of this article, Mrs Winslow is becoming world-renowned as a benefactor of her race ; especi ally is this the case inthis city. Vast quantities of | the Soothing Syrup are DAILY sold and used here. Wethink Mrs. Winslow has immortalized her name by this invaluable article, and we sincerely believe housands of children have been saved from an early grave by its timely use, and that millions ver unborn will share its benefits, and unite in calling herblessed. No mother has discharged her duty to her suffering little ones, in our opinion, until she has given it the benefit of Mrs. Winslow's Soothing Syrup. Try it, mothers-try it now .- Ladice' Visior, New York City.
