City and County Official Paper

OTTAWA, MARCH 16, 1867.

The Hon. FERGUSSON BLAIR did not attend the meeting of the Executive Council at Montreal vesterday. In view of possible contin (North Hastings)-8. gencies it has been deemed that his presence at the Capital will better conserve the public

The only mention in the Montreal papers 100th Regiment under Capt. Bolton, was unon frontier duty.

It is reported that J. L. McDoudall, Esq., as a candidate for the representation of the Macdonald (D. A.), Macdonald (John), Ry-South Riding of that County in the Canadian, mal, Scatcherd and Wallbridge (T. C.)-7. House of Commons. Though quite a young | Seven Reformers against one Conservative man, MR. McDorgath is very popular with and vet the Hamilton Times has the unblushthe people of Renfrew, and some of our read- ing effrontery to declare that "in Upper Ca- both lines might be kept constantly in operaers may, perhaps, remember him as the gold "nada nearly all the opponents of Confederamedallist in Mathematics at Toronto Univer- "tion are to be found in the Tory ranks!" County in former years.

In our advertising columns will be found the requisition calling on E. McGillivray, of the City in the Canadian House of Commons, and his reply accepting the same. We understand that Mr. McGillivray will, the course of a week or ten days, issue an ad dress to the Electors, in which he will full state his views on public questions, and need scarcely be added that he will adhere to those Liberal Conservative principles which have here ofore guided his political action.

We learn that the Crown Lands in Townships north-west of Palmerston and Clarendon, in the County of Rentrew, have been withdrawn from sale for the present. These Townships embrace the whole of Mn. FRENCH's late agency, and the Townships of Mattawatchan, North and South Canonto, favor of re-organisation, the effort we think of April. The inaugural ceremony will take Brougham, Griffith, and Wilberforce in the agency of Ma. HARRIS. We are informed that gold has recently been discovered in the Township of Mattawatchan, which is situated about thirty-five miles south-west of Arnprior on the Madawaska road, and about sixty miles from the City of Ottawa. It is a rough Township, very little of the land in it being fit for cultivation, but should it prove rich in the precious metal, it will doubtless in time become a valuable contributor to the wealth
