LIFE ASSOCIATION OF SCOTLAND. FOUNDED 1828, FOR LIFE ASSURANCE AND ANNUITIES. HEAD OFFICE FOR CANADA, PLACE D'ARME, MONTREAL. INVESTED FUNDS ONE MILLION AND FIFTY THOUSAND POUNDS STG. Assurers have the choice of two separate Classes of Assurance. IN CLASS A, THE BONUSES Are paid in Money to the Policy-holder himself, commencing on an early stage of the Policy.

AN ALLOCATION OF PROFIT IN A Cash is made every year in this class to all policy-holders of not less than five years' standing at the preceding Annual Meeting, and each Policy-holder's share is applied in payment of his next annual premium. The ordinary required for the policy is less than for many years been only from 62 1/2 cts. to 75 cts. per \$1 of the premium according to the standing, and commencing with the date of the policy.

CASH PROFITS of more than \$700,000 sterling have been distributed to the Policy-holders during their own lives. IN CLASS B, THE BONUSES An unusually LARGE ADDITION to the SUM ASSURED, and may be exchanged for a Most Important Provision in Old Age to the Policy-holder himself. At the Division of the 31st December, 1865, the Cash Bonus Addition of 64 per cent. on the Sum Assured was declared for every Premium paid on each participating policy, and each Policy-holder's share is applied in payment of his next annual premium. The ordinary required for the policy is less than for many years been only from 62 1/2 cts. to 75 cts. per \$1 of the premium according to the standing, and commencing with the date of the policy.

FOR SALE, FLOUR, MEAT AND PRIME MEAT, FISH, OILS, AND WHISKY. ALLS AND PORTER. ANCHORS AND CHAINS. Ottawa, March 15. S. CHRISTIE, 385-386

UNDER NO OTHER SYSTEM Can anything like the same amount of benefit be derived from the same amount of Cash. For example, a Policy-holder for \$1,000 at age 25, on his attaining the average period of persons of that age, will, at that rate of Bonus, have had an addition to his Assurance of \$1,000, making his sum assured \$2,000. In the case of the ordinary system, the same amount of Cash Payment of about \$1,000 to him.

AN Assuree during the current year in Class B will receive, at next Division, One-Fifth more Bonus than later Entrants—the difference being probably no more than \$40 on a \$1,000 policy. The Cash Annual Balance will be made on 5th April, 1867. Previous estimates will rank for profit as of one year's longer standing than later entrants.
