# AYER'S

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Scres, Eruptions, Pimples, Pustules, Biotches, Boils, Binins, and all Skin Diseases.

OARLAND, Ind., 6th June, 1859. J. C. Arra & Co. Gents: I feel it my duty to a knowledge what your Sapaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulege on my hands and arms; sometimes it turned luwers and distressed me at the signach. Two years ago if licks out on my hour and covered my sculp and ears with one sore, which was painful and leathsom eyond description. I tried many medicines and several daysteians, but without much relief from any thing. In act, the disorder grew worse. At length I was rejoice to read in the Gospel Messenger that you had prepared an alterative (Sarasperilla), for I knew from your regulation that any thing you made must be good. I sent to Cincinnativest got it, and used it till it cured me. I took it, as you advise, in small doses of a tensproutul over a month, and used almost three bottles. New and healthy skin som began to form under the scale, which after a while fell off. My skip is now clear, and I know by pos feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I to you, that I have you to be one of the sportion of the se-

> Dn. J. C. ATER: Slv. I have been afflicted with a painful chronic Riemmonium for a long time, which inffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your farmparilla. One bottle cured me in two weeks, and restored my genera health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Lonis, writes: "I have been afflicted for years with an offection of the Lover, which leatroyed my health. I tried every thing, and every thing falled to relieve me; and I have been a broken-down man for some years from no other cause than derangement the Liver. My beloved pastor, the Rev. Mr. Kspy, advised me to try your Saraparilla, because he said he knew y and any thing you made was worth trying. By the bles ing of God it has cared me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumore, Enlargement, Ulceration, Carles and Exfeliation of A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below nemed are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the alterative power of this medicine. It slima-lates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the ne-

### cessities of the people, and we are confident that this will do for them all that medicine can do. LOOK HERE. Cherry Pectoral, THE UNDERSIGNED HAVING PUR-CHASED 1 acres of land, on which he inten-

colonial Secretary's Office. Mauritius, 17th December, 1866.

Harbour Master to Colonial Secretary.

As it will be necessary to send intelligence to all arts of the world before substituting a Floating light at the entrance of this Port for the present larbour Lights, I have the honor to request that his Excellency the Governor will authorize the crinting of the annexed sailing directions, and the

Part Odice, Mauritian, 14th December 1866.

orwarding of them by the mail of the 18th instant, o all parts of the world. The rule is to allow such intelligence time reach every important Port in the world, and give vessels that have left before its arrival time to each the spot where the new Light is to be placed. I have proposed therefore, to light up on the 24th next May, the anniversary of Her Majesty's rth-day, subject to his Excellency's approval, ent, if no time is lost in sending it from England

North and South America. I recommend that copies of the notice should be Belgium, France, Spain, Portugal, Italy, Austria, Prussia, Turkey, British North America, Our Heirs and Successors, for the government of ocrotary of State for the Colonies, the Admiralty, in any case that the person was serving with Our ape of Good Hope, the Indian Governments, the Officer, under circumstances which would entitle traits Ports and Batavia, Manilla and China, an Officer or Soldier of Our Army to be recomogether with any others that may be suggested, and that 100 copies may be sent to this office for stribution among the shipping.

I have, &c., D. WALES, Harbour Master. Hon, the Colonial Secreta y. &c., &c., &c.

GOVERNMENT NOTICE NO. 1, 1867. His Excellency the Administrator of the Govern se entrance of Port Natal, in correction of the no Seation given in Government Notice No. 122,

By His Excellency's Command. D. ERSKINE,

Natal, 4th January, 1867. NOTICE TO MARINERS.

A Lighthouse has been erected on the Bluff, at ie south side of the entrance of Port Natal, at an levation of 292 feet above high water, a light from hich will be exhibited on the 23rd January, 1867. The Lighthouse is in latitude 29° 3' 35" E. The building is an iron tower, in the form of a rustrum of a cone, 81 feet high, painted white; entre of light being 70 feet above the base, exhiiting a revolving white light of the second class lioptrie), attaining its greatest brilliancy once

It is visible in all directions from north (round the east and south), to S 590 W; and can be sen from a ship's deck 24 miles in clear weather.

The above light is not visible from the Aliwal hoal, which is 25 miles 8, 53 ° W; from the Lightsuse : vessels should not, therefore, when coming om the southward and westward, approach the tore nearer than 4 miles, or shoal their water unake the light well out from the deck, when they may stand in until it bears N 59 9 E, which bearing will keep them outside all known danger—until hey are abreast of the Umlasi River (about 9) the eastward, giving the shore a good berth of a tlemen with rooms and breakfast, or with ful board haul in to the northward for the anchorage, an haul in to the northward for the anchorage, anchoring in 8 to 10 fathoms, with the Lighthouse

W. E. ARCHDEACON, Master R. N., Admiralty Surveyor. N. B .- The above bearings are magnetic. 386tf ers.

HIS EXCELLENCY THE GOVERNOR-GENER-

AL IN COUNCIL. ON THE RECOMMENDATION OF the Honorable the Minister of Finance, and under and in virtue of the authority given and congoods in Bond, be and the same are hereby adopted

1. That subject to the provisions of the Act above cited, to these Regulations, and to such further Regulations, as may hereafter be made by competent uthority, Licenses may be granted to manufacture in Bond the articles herein enumerated, viz: Drugs-including Essences and Extracts.

Perfumery, Vinegar, Varnishes,

2. That any Beided manufactory licensed under the above recited Act, may be closed and the License forfeited, whenever it is shewn to the satisfaction of the Minister of Finance that there is just present Shore Lights, I have cause for believing that frauds upon the Revenue the honor to forward, for the are perpetrated in connection with such manufac-3. That in addition to the License fee named i

ies of a Notice, announcing that | the Act above cited, every person to whom a " Bondthe change in question will take ed Manufacturing License" is granted, shall pay to the Collector of Inland Revenue, in monthly instalments, such sums of money as shall be sufficient for the payment of the expenses incurred by the Finance Department for the effective supervision of Copies of this Notice have the manufactures carried on under such license, and for taking account of the dutiable articles consumed in such manufacture, and of the articles produced deem necessary, and shall, as nearly as may be, be in proportion to themagnitud general character of the business carried on 4. That goods manufactured in Bond shall be refrom the Harbour Master, dated the 14th instant, as well as to moved from the apartments of the manufactory wherein they are manufactured as soon as the whole process of manufacture is completed, and shall then e placed in apartments or store-rooms set apart for that purpose, wherein they shall be bonded in the manner required by the Excise Bonding Regulations made by Order in Council, dated the 17th day of May, 1865; and they shall be dealt with, in respect of their subsequent removal, exportation or entry for consumption, in accordance with the said Regu-

Stamp of an additional 5 cents per letter. All Letters, Newspapers, &c., for the above places intended for the New York Route should be ad-VOLUNTEERS dressed (via New York.) A Postmaster having letters, &c., so addressed to

regards the relative position of his own Office and

2. A Packet of Newspapers, or of Books, addressed to the United Kingdom may be sent regis-

that the said Decoration may be conferred on nation, namely, 8 cents in addition to the regular Partially Prepaid Letters. 3. In applying the 7 cent unpaid rate to letters passing within the Province posted unpaid or not Warrant, and We do by those Presents for Us, Our fully prepaid-Postmasters will observe that a letter passes either as prepaid at 5 cents per | oz., on condition that the whole postage due be fully prepaid -or at 7 cents per | oz. if posted unpaid, or only partly prepaid-in the latter case the full rate of 7 ent to the Governments of the following countries: | cordance with such further Rules and Ordinances | cts. per j oz should be marked and a deduction made -Russia, Holland, Denmark, Sweden and Norway, as may hereafter be made and promulgated by Us, therefrom of the amount which may have been paid -thus on an ounce letter prepaid 5 cents only-the rate will be 14 cents and crediting the 5 cents paid -9 cents will remain to be charged, and collected

The object of the 7 cent unpaid rate, is to induce pre-payment and thereby relieve the Post Office from cost and trouble of account and collection, but this object is equally defeated whether the letter be wholly unpaid, or but partially prepaid-and therefore the 7 cent rate applies to the whole charge upon the letter in both cases. In the case of letters to or from the United States,

no credit is given for any partial pro-payment of the 10 cent rate-By the United States Post Office Law, any amount of partial pre-payment is torfeited and the letter rated as if wholly unpaid. Bill, Law and Registration Stamps. 4. Postmasters intrusted with the sale of

Law, or Registration Stamps (stamps to be used Lower Canada in paying fees on Deeds, &c., Registry Offices) are required to be careful to keep their accounts and remittances connected with such sales, and the applications for further supplies of such stamps, entirely distinct from their accounts, remittances, and applications in connection with Postage Revenue, Postage Stamps, or Money Order Notice to Public of Office and Mail Hours.

5. Postmasters are reminded that, at every Post Office, a printed or written notice stating the time at which the Mails arrive and close, and the hours for opening the Office in the morning and closing in the evening, should be put up for the information Letters, posted without Address, &c.

6. When letters are posted without address, or for any other reason, cannot be forwarded by Mail, they are to be sent by first post to the Pestmast

upon them.

7. When a letter is posted at an office after the despatch of the Mail for which it is intended, but on the same day, the Postmaster should mark it DOAR DING. ---MRS.
