Aetna Life Insurance Company, ESTABLISHED, A. D. 1820. Capital and Assets, 1st Jan., 1867, \$4,401,833.80

THIS MOST SUCCESSFUL LIFE INSURANCE COMPANY divides the whole of its profits, every year, among the insured, reducing the cost to about one-half the figure usually charged.

For instance, the annual payment, at the age of 30, in most Companies, to insure \$2000 is, with profits, about \$80, and without profits, about \$100. In the Aetna, \$2000, in a term of 20 years of age, costs the first year, \$23.31

And each subsequent year, \$6.74 Which payment is subject to further reduction at the pleasure of the Company equally.

Endowment policies on equally favorable terms.

The fact that the Aetna has, during the past 12 months, insured over 14,000 persons, from among the best business men of the Continent, is the best possible testimonial to the soundness of the Company, and the excellence of its method of doing business.

J. GARVEY, Esq., M. D. Medical Referee. Office: Over Scott's Confectionery, Ottawa, March 13, 1867.
