FOR A FEW DAYS ONLY

GREAT ATTRACTION

AT HAMILTON'S HOTEL,

YORK-ST., OTTAWA.

ARRIVAL IN TOWN OF

THE "BIG LITTLE WOMAN."

SHE WEIGHS THE ENORMOUS Weight of 516 POUNDS; Measures around the body 7 feet 9 inches, (no Hoops); around the arm, 27 inches; around the calf, 38 inches; and yet is only 5 feet 5 inch tall, only 13 inches across the shoulders, and however incredible, wears with ease a number 6 glove, and a number 3 shoe.

These are facts which must be seen to be believed, and when seen, you are tempted to doubt the reality still!

Her affable and pleasing manner in conversation, supported by a liberal endowment of intellect and wit from Nature, makes her entertainments the most attractive of the kind.

Up to the age of twenty she was very small and delicate, weighing at the time only 105 pounds. She is now thirty-six years old, enjoys the best of health, and seems perfectly contented with her lot in this world, which certainly is a "big one."

ADMISSION 15cts. - CHILDREN 10cts.

A CARD.

A. ROWE,

Principal Auctioneer of the City of Ottawa.

SALES OF EVERY DESCRIPTION solicited. Valuation of Household Furniture and effects carefully attended to.

Principal Office and Sales Room No. 42 North Side of Rideau Street.

Mr. Rowe, in referring to the above Card begs respectfully to say that he has completed arrangements for conducting sales this spring in a manner that must give general satisfaction.

Though favoured last year, and for some years past, with the management of most of the important Sales which have taken place in the city, and he is happy to say universal satisfaction has been given in every respect.

Some of the reasons for Mr. Rowe's great success in conducting sales are, his extensive acquaintance with the purchasers, both in the city and country, and also his experience has given him a thorough knowledge of the value of every article he offers for sale.

And the most essential part which he was the first to introduce is to close and cash a sale the second day after it takes place.

Any number of references can be given if required.

Consignments of every description solicited.

Cash advances made on consignments for positive sale if required.

Ætna Life Insurance Company.

ESTABLISHED, A. D. 1820.

Capital and Assets, 1st Jan., 1867, $4,401,833.86.

THIS MOST SUCCESSFUL LIFE INSURANCE COMPANY divides the *whole* of the Profits, every year, among the insured, reducing the cost to about one-half the figures usually charged.

For instance, the annual payment, at the age of 30, in most Companies, to insure $2000 is, with profits, about $50, and without profits..... $43.00

In the Ætna, $2000, to a person 30 years of age, costs the first year..... 25.31

And each subsequent year..... 26.74

Which payment is subject to further reduction as the business of the Company increases.

☞ Endowment policies on equally favorable terms.

The fact that the Ætna has, during the past 12 months, insured over 14,000 persons, from among the best business men of the Continent, is the best possible testimonial to the soundness of the Company, and the excellence of its method of doing business.

The Victoria Hotel

could not fail to be made to pay.

It is built on the most modern style of architecture, of cut stone; has large plate-glass windows, and is four stories high, exclusive of the basement. It is finely situated on the corner of Wellington and O'Connor-streets, immediately opposite the Parliament Buildings, and has three vacant lots attached, so that the Buildings could be enlarged to any required capacity.

To Hon. James Skead, H. F. Bronson, Esq., H. McCormick, Esq., J. Aumond, Esq., J. Goodwin, Esq., Donald Dow, Esq., David Moore, Esq., and others:

GENTLEMEN,—

I have much pleasure in accepting your requisition, so respectably and numerously signed.

From my experience in commercial transactions, and long residence amongst you, it would not, I trust, be considered presumptuous in me to say that I have a deep interest in the welfare and advancement of this section of the country, and lay claim to a thorough practical acquaintance with its trade, its wants, its resources, and the mode of their best development.

Should I be the choice of the people I pledge myself to devote my best energies to the advancement of our County generally, but more especially to all that will contribute to the prosperity of our rising City, and that great staple trade so closely identified with the progress and prosperity of the Ottawa valley.

Premain,
Yours respectfully,
E. McGILLIVRAY.
