Notice to Gas Consumers.

Ottawa Gas Company.

PUBLIC NOTICE IS HEREBY GIVEN that by By-law of "The Ottawa Gas Company," this day duly passed at a Special General Meeting of the Stockholders thereof, we the undersigned were appointed

A COMMITTEE

For the Management and disposition of the Stock business and affairs of the Company, until after the Election of Directors at the next annual meeting of the Company, on the

Fifteenth day of April, Inst.,

And it was by the said By-law enacted (among other things), that it should be our duty forthwith to notify the Gas Consumers of the Company

NOT TO PAY THE GAS RENT

OR GAS RENTS, due on the First April Instant to any person or persons whomsoever, until after the election aforesaid, and then to such person or persons only as the newly elected Directors on the Fifteenth Instant shall appoint.

Dated this Second day of April, A.D. 1867.

JAS. SKEAD, THOS. PATTERSON, } Directors.
JAMES DYKE, JAMES PERRY, } Stockholders.

399d

The above notification having appeared in the Ottawa *Times* of this date, I deem it my duty to acquaint Gas Consumers that the action taken by the Stockholders at the above meeting is altogether illegal, and that they will be required to pay their gas rents to the present Secretary *on or before the 14th inst.*, to save the 33½ per cent. discount, the present Secretary being the only person legally authorised to receive them.

I beg further to state, for the timely information of Consumers, that, in consequence of the proceedings of the stockholders, as stated above, it is more than probable the supply of Gas will cease within forty-eight hours, the persons with whom arrangements had been made for furnishing coal to the works having notified me that it is positively their intention not to supply any more at present, and it is impossible for me to make any other immediate arrangement to meet the difficulty which has arisen.

G. B. L. FELLOWES, *President.*

Gas Company's Office,
Ottawa, April 3rd, 1867.

Notice to Gas Consumers

And Stockholders.

Ottawa Gas Company.

AS RESPECTS the above notice of the President the undersigned have again to notify the Consumers NOT TO PAY their Gas Rents until after the 15th instant; that they will be allowed until the 22nd instant for that purpose; that up to that time they will be allowed the 33½ per cent. discount; and that earlier they cannot be compelled to pay,—*AS TO THE LEGALITY OR ILLEGALITY* of the action of the Stockholders they and the President can test that at the same time that they and he test the question as to whether he is fulfilling or betraying the trust they reposed in him.

WE BEG FURTHER TO STATE for the timely information of Consumers, that *IT IS NOT PROBABLE* that the supply of Gas will cease within forty-eight hours; *NOR IS IT TRUE* that the persons with whom arrangements had been made for furnishing Coal to the works have notified the President that it is positively their intention not to supply any more at present, *NOR WAS IT NOR IS IT IMPOSSIBLE* for the President (if so inclined) to make any other immediate arrangement to meet the difficulty, which he alleges to have arisen.

THAT THIS MAY BE THOROUGHLY UNDERSTOOD, we have to call the attention of the Stockholders to the following letter, sent by certain of the Directors to "The Montreal and Ottawa Forwarding Company."

[Copy.]

"*The Montreal and Ottawa Forwarding Company,*
"*Ottawa:*

"GENTLEMEN,—

"The Stockholders of the Ottawa Gas Company "having authorized a Committee to notify the "Consumers of the City not to pay their Gas Rents, "of which they have given notice in the City pa- "pers, thereby preventing the Directors from car- "rying out their understanding with you respecting "the payment for Coal as required,

"*WE beg to inform you that we can no longer be responsible for any delivered hereafter.*

"Your obedient servants,

(Signed,) { CHAS. T. BATE, W. WADE, MAT. S. STEVENSON, J. M. CURRIER, S. HOWELL, HORACE MERRILL."

☞ Had this letter not been sent "*THE MONTREAL AND OTTAWA FORWARDING COMPANY*" *WOULD HAVE CONTINUED SUPPLYING COAL*, AND NOTWITHSTANDING *WE HAVE MADE ARRANGEMENTS FOR A SUPPLY TILL AFTER THE ELECTION.*

INSURANCE.

LIFE

ASSOCIATION OF SCOTLAND,

FOUNDED 1838, FOR

LIFE ASSURANCE AND ANNUITIES.

HEAD OFFICE FOR CANADA:

PLACE D'ARMES.....MONTREAL.

INVESTED FUNDS ONE MILLION AND FIFTY THOUSAND POUNDS STG.

Assurers have the choice of two separate Classes of Assurance.

IN CLASS A. THE BONUSES

Are paid in Money to the Policy-holder himself, commencing at an early stage of the Policy.

AN ALLOCATION OF PROFIT IN Cash is made every year in this Class to all policies of not less than five years' standing at the preceding Annual Balance, and each Policy-holder's share is applied in payment of his next annual premium. The outlay required for the policies has, thus, for many years been only from 62½ cts. to 75 cts. per $1 of the premiums according to standing, and commencing with those due at the end of the sixth year.

CASH PROFITS of more than £300,000 sterling have been distributed in this manner to the Policy-holders during their own lives.

IN CLASS B. THE BONUSES

Are unusually LARGE ADDITIONS to the SUM ASSURED, and may be exchanged for a

Most Important Provision in Old Age

to the Policy-holder himself.

At the Division for the 5th December, 1865, the large Bonus Addition of £4 per cent. on the Sum Assured was declared for every Premium paid on each participating policy, and payable along with the Sum Assured, provided the Life attain the average expectation of persons at his age of entry. It is evident that at this rate of Bonus the Sum Assured will be more than doubled in a comparatively short period.

But the Policy-holder has the option of exchanging these large Bonus Additions when he reaches the average period of life, for an equivalent in a

VALUABLE PROVISION FOR HIS OWN AFTER-LIFETIME BY A CASH PAYMENT OR ANNUITY.

For example, a Policy-holder for £1,000 at age 25, on his attaining the average period of persons of that age, will, at that rate of Bonus, have had an addition to his Assurance of £1560, making the sum assured £2560, instead of £1000.

Or, he may then exchange this large Bonus Addition for one Cash Payment of about £1000 to himself.

Or he may exchange the Bonus Addition for an Annuity of about £102 payable during his life.

Such exchange will in no respect affect the sum Assured, which, as well as the right to future Bonuses will remain intact for the Heirs or other purposes of the Policy-holder.

UNDER NO OTHER SYSTEM

Can anything like the same amount of benefits be obtained, whether as regards increase of sum Assured, or an equivalent in Cash Payment or Life Annuity.

An Assurer during the current year in Class B. will receive, at next Division, One-Fifth more Bonus than later Entrants—the difference being probably so much as £40 on a £1000 policy.

The 28th Annual Balance will be made on 5th April, 1867. Previous entrants will rank for profits as of one year's longer standing than later entrants.

It is built on the most modern style of architecture, of cut stone; has large plate-glass windows, and is four stories high, exclusive of the basement.
