OTTAWA. ARPIL 11, 1867.

To-day we give up a considerable perticular of our space to a couple of communication on the affairs of the Ottawa Gas Company are therein stated that will certainly justil state of affairs revealed in these letters, which to a large room over the store. we publish today. The discussion in the at all helping to a more satisfactory state of less as it has been represented, and hope that this breeze may result in lifting it out of its

Globe, who is "a good deal astomshed," not peared, and that the money for these and respect, as the reward of merit. other lots had been deposited in the Bank of drew his deposit, and on Mr. Gisas' reiterthat Mr. W. F. Powell, the Sheriff of Carle. and that you may be long spared to wear this ton, was a claimant to the property. The letter no doubt recites the facts as they were understood by Mr. Ginas, and thereupon he grounds his claim to have the patents issue in his favor. The Globe recites the full pariculars, as set forth by Mr. Ginss, and winds him, and felt confident that there were many "months striving to bally the Departbeen unaware of some of the facts connecte with the case. Oh-no! the charge was betore it of mismanagement on the part of the Government, and not a doubt need be enter- a raised corner diamond-shaped-thus formtained of its being entirely correct in every ing united the St. George and St. Andrew particular. Though the Globe has of late cross. On the face is the following ingiven us no little trouble in putting it right scription :concerning Crown Lands affairs, we once again undertake to enlighten it, by reciting "Egleson & Son, for his valuant conduct, tion was new last light. "Which materially assisted in saving their Mr. McKenzie, and others addressed the meetas briefly as possible the whole of the facts " property from destruction by the fire of the ing at some length.

On the 16th of November of last year, Mr. On the reverse face there is a very correct sold lands, which he presented at the Department at Ottawa on the 10th of January, to ascertain the quantity of land in the lots specified. He received a statement of this, together with a memorandum for deposit in the Bank, made out in Mr. Powell's name. This circumstance entirely demolishes the assertion of the Globe (tounded on Mr. Ginns' Sparks-street, and reflects the highest credit troyed. The flames communicated to L'Etoile, made an excuse for giving the lots to Mr.

Mr. Gisas made his application and de- ed to by that gentleman, who, in return, gave posit as stated by him early on the 14th, and the health of Mr. Egleson & Son. the same day Mr. Powell presented the cer- Mr. P. A. Egleson acknowledged the comtificate of the Bank deposit having been made, pliment, and gave a short account of his cathe certificate being in the name of Mr. Pull. feer in Ottawa down to the present moment, very rotten and covered with water. Thomeson, who supplied the funds, which was listened to with evident delight by There is every prospect of a flood in Griffinbut the sale was directed to be made in the firemen. the name of the original applicant, Mr. Powrit, who immediately proceeded to Bell ville and completed the purchase, as no sal were allowed to be made except at the agency. the money in each case being merely received on deposit at the Department. As the posit receipt had been erroneously made in favor of Mr. Thompson the sale was arried out in his name.

At this point of course the complication for firemen as a general thing are seldom ap- THIS MORNING'S DESPATCHES arises, Mr. Ginns' money having also been | preciated in their true light; their services are as a consequence the issue of the patents even assailed. It is only when the devouring was delayed. Then Mr. Thompson, not element, in the dead hour of flight, bursts relishing the idea of having a large amount of money locked up pending a dispute which looked for, and that they are considered fine might occupy a great deal of time, applied to fellows. But we say all honor to Messrs. Eg the Department on the 11th of February have it refunded. The Department, under the impression that Mr. Powein had con sented to the withdrawal, paid over the amount to Mr. Thompson, on discovering

which Mr. Powers immediately pro tested against the retund, and desired to replace the money. In reply to a letter from the Department Mr. TROMPSON stated that Mr. Powell has not a consenting party to the withdrawal of the money, was not, i fact, made aware of his application for it, and further that it was distinctly stated to the officers of the Department, both by Mr. Powers and himself, that the deeds should come out in Mr. Powers's name. Under these circumstance, Mr. Powers was per mitted to replace the money, which he is mediately lodged, together with a transfer from Mr. Thompson, and the sale by the agent has been confirmed.

The foregoing statement of facts puts ar Money orders on Money Order Offices in Canaila.

Great Britain and Ireland, New Brunswick, Nova and we can very well believe that Mr. Grass prepared his argument in ignorance of real state of the case. Mr. Powers was an applicant for the lots in question two months E. Island, via Portland, should be mailed before I p.m. on Wednesday and Saturday; and Newfound-land, via Boston, before the close of each Canard duce to the agent the requisite proof of the duce to the agent the requisite proof of the non-occupation of the lands, with the certificate of deposit, and it was by him and for himself that all the negociations were carried out from his first personal application, where a full service will be performed, and in made a few days before the written one was | the evening by a dinner at the Victoria Hotel.

#### FIREMAN'S PRESENTATION.

A Deserved and Valuable Testimonial. At the regular meeting of the Central Hoo

and Ladder Company, on Tuesday evening last, a letter was read from Messrs, P. A. Egle son & Son, grocers, Sussex-street, requesting Wednesday evening. The company not bei accepted the invitation, and at eight o'clos ceived by Mr. James Egleson, and conducts
