GRAPES & STRAWBERRIES,

Fruit and Ornamental Trees.

GREAT inducements offered to those that are willing to work and take orders. Every order of $5, I will add 25 plants of the Golden Queen. For an order of $10, one Grape Vine and 25 plants; and so on in proportion to the amount over $10.

J. B. CLINE offers to the public a remarkable Strawberry, THE GOLDEN QUEEN. It is of a beautiful bright scarlet color; of high flavor, and enormously productive—many berries measuring six inches in circumference. It ripens fifteen days after the Wilson, and is thus most valuable as a late berry for family use or marketing. I picked nice berries of the Golden Queen as late as the 17th of July.

Every person should set out largely of the Green Prolific. The berry is nearly as large as the Golden Queen, very early, tender and sweet. It is recommended very highly in the eastern part of the state where it is better known. In fact, the Golden Queen and Green Prolific are the two best berries in cultivation. The Golden Queen sells in our market for four shillings per quart where the Wilson, on the same stand, only brings twenty-five cents—never have sold the Golden Queen and Green Prolific for less than twenty-five cents, when the Wilson brought only twelve cents. Many persons in Rochester are setting a bed of the Golden Queen on purpose to mix the berries with the Wilson—they get from five to seven cents more per quart for the Wilson by doing so.

Copied from the Southern Ruralist, printed at Amity City, La.

THE GOLDEN QUEEN STRAWBERRY.—Those who desire to raise a fruit of Tomato size and Strawberry flavor, will find just what they are looking for in the Golden Queen. JUDD, of the *American Agriculturist*, printed in New York, says: "It is a veritable strawberry, and one of the best varieties yet raised, either for home use or for the market," and until ocular demonstration proves to the contrary, we are bound to believe it.

	per doz.	per 100.	per 1000
Golden Queen	$1 00	$5 00	$30
Green Prolific	1 00	5 00	30
Great Agriculturist	1 00	4 00	25
Knox's Jucunda	1 00	4 00	25
Triomphe de Gand	50	2 00	15
Wilson's Albany	50	2 00	15
Early Scarlet	50	2 00	15
Hovey's Seedling	50	2 00	15

Strawberry Plants can be set until late in the Fall if covered well with leaves or straw.

Peach and Apple Trees, 30 cents each; Pears, Cherries and Plums, $1 to $2 each; Orange Quince, 75 cents each. Evergreens, Roses and Shrubs of all descriptions. General assortment of House Plants.

I will guarantee all orders to be delivered in good order. I can send by mail from a hundred to a hundred and fifty of the Strawberry Plants, in one package, and from six to twelve Grape Vines, postage paid.

Cash orders filled in rotation. Orders marked C. O. D.; the buyer must pay the express charges, and I will pay the collection.
