In the Ana, \$2000, to a person 20 years of age, costs the first year, \$25.21 and each subsequent year, \$6.74.

Which payment is subject to further reduction as the business of the Company increases.

Endowment policies on equally favorable terms. The fact that the Ana has, during the past 12 months, insured over 14,000 persons, from among the best business men of the Continent, is the best possible testimonial to the soundness of the Company, and the excellence of its method of doing business.
