Cow Strayed-Nicholas Sparks. Stengti Plates-IL J. Simpson.

OTTAWA JUNE 12, 1867.

Mr. ALONZO WRIGHT will, we understand Canadian House of Commons. Mr. ANDREW presentation of Ottawa county in the gislative Assembly of Quebec.

our good friends of the commercial capital, that they will only place themselves in hope Kent, who have already shown their preferless antagonism to the great majority of the people of the whole Dominion, by advocating extreme protectionist views. If again it is merely an attempt to secure a mercaptile ren SPECIAL TELEGRAMS. presentative for a mercantile constituency, hen we consider the plea still more puerile. Mr. Rosz, though a lawyer, rather we should cay because he is a lawyer and has given especial attention to commercial law, is far better qualified as a legislator than any inex perienced merchant can reasonably be bre sumed to be. Mr. Rose has the advantage of ten years of legislative experience, and without being brilliant, either as a debater of legislator, he has shown a degree of industry and practical talent, which places him among. the foremost public men of Canada. Unless, heard, the opposition of Mr. WORKMAN and his friends seems utterly unjustifiable. they want to play into the hands of Rouges, let them say so; if Mr. Rose is too much Protectionist, or too much Freetrader, Americans had backed McDevitt, and a very little hard, but his object had been throughout let them say so; but do not let them put in large sum of money has changed hands in conthe foolish plea that the interests of the merchants are ill served by being represented by one of the best commercial lawyers, and most experienced public men, of Lower Canada; herwise we beg to assure them in advance that the country has too much faith in their

We have always regarded the placing of mportant measures in the hands of private members of the Legislature as a mistake except in cases where the subject of legislation is a special one to which a private member has given a great deal of attention. Municipal, the other on that of an Assessment must have cost a large sum. The Government, perhaps out of courtesy to these gentle- result will probably be a close contest. however, removing the responsibility from the shoulders of the gentlemen named. For mittees of the most experienced men sat long and patiently endeavoring to elaborate their provisions. . Upon the whole the bills we believe are very good measures; they have effected improvements in many particulars, 100th has purchased his discharge, and is now lection of this evening's handsome treatment and though marred with some defects, will in fact, and in dress a civilian. We understand | would cheer him on his way. He would still doubtless be found to be beneficial in their that he is busily engaged in the publication of municipal legislation, an effect attributable curtail the electoral privileges of the people under cover of an amen/Iment to the assess ment laws.

intelligence to believe in their sincerity.

ion of the Legislature to have sanctioned doing guise, Mesere, CARLING, MAGILL, PROCESON and JACKSON were conspicuous while the two "Reformers," Messes. Kausse and McKellan fought stoutly the curtailment for the franchise. It is

note of the probable effects which a change of the printing office of the OTTAWA TIMES in the mode of assessment would have upon newspaper, the employes of the establishment the political privileges of the people. But resolved to mark the event by entertaining that both Messrs. McKellag and McKenzie him at supper. This was gitten at " The knew well what they were about, was made Queen," on Monday evening, when all abundantly evident by the discussion evoked Tixes staff, with several of the personal friends by the meffectual efforts of Mr. Magill on of Mr. Jacques, sat down to a very substantial behalf of the cities, and Mr. Fergusson on spread, including among the viands fresh salbehalf of the counties, to restore the fran- mon from the Saguenay, and other attractive chise to something like conformity with its edibles, served up in Kavanagh's best style were unsuccessful in amending the act in these

bill for its good qualities, despite its admitted defects. Mr. McKellan's sense of personal advantage, either near or remote, is perhaps as keen as that of any man who ever played the role of patriot for the aggrandisement of his family and family relations, and it is The Army, Navy and Volunteers, to which neither overrating his shrewdness, nor Mr. E. K. MacGillivray responded. He said libelling his political morality, to say that he may have had a certain class of voters in the called upon to respond to such a toast.
