Ætna Life Insurance Company.
ESTABLISHED, A. D. 1820.
Capital and Assets, 1st Jan., 1867, $4,491,833.86
THIS MOST SUCCESSFUL LIFE INSURANCE COMPANY divides the *whole* of the Profits, every year, among the insured, reducing the cost to about one-half the figures usually charged.
For instance, the annual payment, at the age of 50, in most Companies, to insure $2000 is, with profits, about $50, and without profits..... $43.00
In the Ætna, $2000, to a person 30 years of age, costs the first year..... 25.31
And each subsequent year..... 26.74
Which payment is subject to further reduction as the business of the Company increases.
Endowment policies on equally favorable terms.
The fact that the Ætna has, during the past 12 months, insured over $4,000 persons, from among the best business men of the Continent, is the best possible testimonial to the soundness of the Company, and the excellence of its method of doing business.

WAIT FOR THE
Largest Exhibition on Earth!
New York Circus
From the Hippotheatron Iron Buildings, Fourteenth-street, New York,
L. B. LENT, - - DIRECTOR.

WILL EXHIBIT AT
OTTAWA,
—ON—
Monday & Tuesday.
June 24th and 25th.
This well known troupe, the reputation of which will be familiar to all who are in the habit of visiting the City of New York, is permanently located during the greater portion of the year at its Colossal Iron Buildings, occupying a frontage of one hundred and twenty-five feet on Fourteenth-street opposite the Academy of Music, and is universally acknowledged to surpass in the number and talent of its artists, the beauty and thorough training of its performing Horses and Ponies, and the splendor of its wardrobe and paraphernalia any similar exhibition ever brought before the American public. As the position of this celebrated metropolitan establishment as
The Leading Circus of America,
Is too firmly established to be seriously questioned in any quarter, it is only necessary to state that the entire mammoth company of the New York establishment will appear at each representation, and that the performances will be found more varied and brilliant than anything hitherto witnessed on this side of the Atlantic.
The New York Circus is now on its second annual
SUMMER TOUR BY RAILWAY,
Visiting principal towns only, and is fully endorsed by the entire press of New York as well as the leading journals of all cities in which it has appeared, as infinitely superior in all respects, to any Circus that has ever been seen on this Continent. The galaxy of Stars comprised in this mammoth company includes

Nothing to compare with it has ever been attained by any other lady rider in any age or country, and no words can do justice to the
