Aetna Life Insurance Company, ESTABLISHED, A. D. 1820. Capital and Assets, Jan. 1st, 1867, \$4,401,833.86

THIS MOST SUCCESSFUL LIFE INSURANCE COMPANY divides the whole of the Profits, every year, among the insured, reducing the cost of cost of cost the figure usually charged.

For instance the annual payment, at the age of 20, to most Companies to insure \$2000 is, with profit, about \$30, and without profit, about \$40. In the Aetna, on a policy for \$2000, the cost of the first year is 25.31 and each subsequent year 20.74. Which payment is subject to 50% reduction as the business of the Company increases.

Endowment policies on equally favorable terms. The fact that the Aetna has, during the past 12 months, insured over 14,000 persons, from among the liberal patronage which has been received, is the best testimonial to the soundness of the Company, and an excellence of its method of doing business.
