Elsewhere will be found the addresses of the

Such accounts as have yet reached us the BROWN-O'DONABLE Convention tend show that it has proved an utter failure. Nothing else was to have been expected from the improper and highly objectionable man ner in which the thing was got up. These two Conventions-the big one and -will prove too much for Mr. Brown.

The Quebec Chronicle of the 9th says; "The formation of the Local Government of his relations to the Premier, it may " has not been the easy/tasic that many have be said that the recollection of a quarter "supposed. The Premier, the Hon. Mr. of a century of common legislative labors, "Carchox, has, however, it is rumored, in- under a Constitution and a condition understand why Mr. Carcuox-being inwithout a salary, because as a matter of fact there is no salary attached to the mere office of Executive or Privy Councillor.

SANPFIELD MACDONALD has been offered and has accepted the dity of forming the first Government of the Province of Ontario, under the new Canadian Union, is one which we are sure will be hailed with satisfaction by Province, as a happy omen of the success Mr. MacDonald will give fresh courbest practical talent of the Government will feet long and two storeys high, which with a member, whom he always supported, was apearnest of the determination of the Queen's long been brow beaten into sullen silence, or sources of the Union. Privy Council of Canada, so to direct the driven into active hostility, by the unsparing We have previously remarked upon the general affairs of the country as to harmonise the feelings of the inhabitants of cach seeking to embroil the country in a senseless Macronal and Mr. Carrier. Some of the position he now sought, and felt confident he position he need to be position he section. Where the mass of the people, as in political strife; and we doubt not, but that others need but little comment, as the people Quebec, are united in political sentiment, we he will so select his colleagues, and frame of these Provinces are already familiar with have seen a civil Governor placed over them his policy, as to command the confidence and their duties. The Public Works Department acceptable to five-sixths of the whole population of the Province; and there, undoubtally, we shall witness the selection of an Ex- Hon.
