TO THE

FREE AND INDEPENDENT ELECTORS

OF THE

COUNTY of CARLETON.

GENTLEMEN,—

AT the urgent solicitation of a large and influential number of your body, I consented some time ago to become a Candidate at the coming election, for the representation of your County in the Local Parliament of Ontario.

My general views with regard to the politics of the day, as well as what best constitute the interests of this section of the country—are well known to you all. I will not here dilate on them as I intend at an early day, to make the tour of your County, when I will have the pleasure of personally communicating them to you.

I find that a rumour, has somewhat gained currency to the effect that I had retired from the field to make way for somebody else. I think it but right to assure you that such is not the case. On the contrary having acceded to the request of so many warm friends I have no intention of deceiving them or stultifying myself by any such course. I am, therefore, still before you as a Candidate for your suffrages, and, if elected, pledge myself to do in the future as I have done in the past, all in my power for the best interests of your County and the country at large.

I have the honor to remain,

Gentlemen,

Your obedient servant,

J. SKEAD.

TO THE ELECTORS

OF THE

COUNTY of CARLETON.

GENTLEMEN,—

WHEN your late member accepted the position of Sheriff of the County of Carleton, and thereby vacated his seat as your representative in Parliament, at the request of a large number of the leading men of the County, who as well as the electors generally, have frequently expressed a desire to have a local man and a farmer to represent them, I issued a short notice declaring my intention of offering my services to you. Since that time an event of great importance to the country generally has occurred. We are no longer the Province of Canada, as an Act of the Imperial Parliament of Great Britain and Ireland has brought about what is popularly known as Confederation, that is a union of the former Provinces of Canada, New Brunswick and Nova Scotia, and in consequence you will be shortly called upon to elect a member to represent you in the House of Commons of the Dominion of Canada. And I now deem it my duty to address you explaining my position and desire to carry out your expressed wish, by at once announcing myself as a candidate for your suffrages.

From my long personal intercourse with you as a resident farmer of the County, as a member of the County Council, and for nearly the last four years as Warden of the County, it is hardly necessary for me to tell you to what political party I belong, but to make that certain and clear to the few who may not know my political principles I unreservedly declare myself a Conservative.

If you elect me as your representative I will give attention to forwarding the construction of the Ottawa Ship Canal, and to the opening up of that magnificent tract of country, the Ottawa valley. I am in favour of a reasonable Homestead Law, thereby securing to the farmer free from all risks an independent position in the declining years of his life.

As in the Government of the New Dominion there is a Minister of Agriculture (thereby foreshadowing that special interest is to be taken by the General Government in that important branch of our industry), if elected to the House of Commons of the Dominion of Canada, I will devote special attention to the furtherance of that interest. As I intend holding meetings in your different localities during the contest, I will then be able to explain my views more fully.

I remain, Gentlemen,

Your obedient servant,

JOHN HOLMES.

REQUISITION.

To John Rochester, Esq.

SIR:—

We, the undersigned Electors of the County of Carleton, viewing with intense interest the position which we now occupy as part of a mighty Confederation, and believing you to be a fit and proper person to represent this, the Metropolitan County in the Commons of Canada, beg leave to request that you will allow yourself to become a Candidate at the coming Election. In the event of your doing so, we pledge ourselves to use our best efforts to secure your return.

And seven hundred and fifteen others.

GENTLEMEN:

I have much pleasure in acknowledging the kind invitation given to me, to become a candidate for the representation of the Metropolitan County in the Canadian House of Commons.

This offer of support from so large a number of loyal and independent electors is so flattering as to induce me to place, without hesitation, my humble services at your disposal, and I consequently at once declare my intention to become a candidate for your suffrages at the approaching election.

The present is an eventful period in the history of our country. In a few days its Constitution will undergo a complete change; and in order that the good ship—Confederation—now about to be launched, may be safely piloted through the shoals and quicksands of political strife, competent and patriotic hands will be required to guide its future course. As that measure revolutionizes the pre-existing system of Government, all good subjects ought to unite in trying to perfect its details, so that it may realize the results for which its projectors have labored so energetically; and whereby, through its instrumentality, a Nationality may be established on this Continent,—important in numbers, influence and material prosperity—and as a certain means to perpetuate our connection with the British flag, which has always been the proud boast of a loyal and contented people.

I am free to admit that the responsibilities of a representative of the new Dominion, for this section of the country, cannot be overestimated. Although one possessing more mental ability might have been selected, still I will yield to none in anxiety and determination to fulfill the trust reposed in me—if elected—in an impartial, honest and conscientious manner.

My long residence, general acquaintance, business and property connection amongst you for the last thirty years, should be a guarantee that I will advocate every measure tending in any wise to promote the general interests of the country, and of your important County in particular.

I have had in the past some considerable experience in Political and Municipal matters, and my aim has been to aid in building up the Ottawa Country by the advocacy of every measure calculated to develop its great natural resources. In future a similar course will be followed by me, and it will be my constant endeavor to impress upon the consideration of the authorities of the new Dominion, the urgent necessity for constructing a Canal to connect (by the Ottawa route) the waters of the St. Lawrence with those of Lake Huron, as a link in the chain of that vast undertaking which must sooner or later prove an accomplished fact—the connection of the Atlantic with the Pacific.

I have always been, and still am, Conservative in principle, and will ever continue a firm supporter of that glorious Constitution by which all loyal subjects enjoy freedom of speech and action, with liberty of conscience.

It is difficult in the limits of a reply to a requisition to enter upon all matters that might require to be adverted to by a candidate seeking the suffrages of a constituency; consequently I shall take an early opportunity of meeting you in your various townships, when I shall cheerfully explain more fully my views as to the various important topics now agitating the public mind of this country, and shall be most happy to hear the views of the electors, or answer any questions that may be asked by them as to my future course, if I should be elected their representative.

Again thanking you, gentlemen, most heartily and sincerely for the honor conferred on me, in inviting me as your nominee for the House of Commons, for the Dominion of Canada, allow me to subscribe myself, with every consideration of esteem,

Your very obedient and faithful servant,

JOHN ROCHESTER, Jr.
