Your obedient servant, G. Power, Acting Assistant Secretar

We cannot wonder that Lord Stratford few nights ago to question Lord Derby as to the present condition and treatment of the English captives in Abyssinia, and as to the measures which the Government intend to take for their liberation. Although for some take for their liberation. Although for some take for the research should be saved from early the saved from early the condition and treatment of the saved from early the following their fiving; but they are not to be readily battered to the following their fiving; but they are not to be readily battered to their liberation. Although for some take for their liberation. Although for some take for their liberation and treatment of the saved from early the saved fr the public attention which its importance deserves, there can be no doubt that our position in this matter is one of a mortifying, and indeed humiliating, kind. It has hitherto linear our position and indeed humiliating, kind. It has hitherto linear our position of the centre as his post.

Maximilian repited: "A bidler must always the lost race." Look at the lost race." Look at one of their warriors, at his flying pony the caused by Worms: deranged at one of their warriors, at his flying pony to the very american synthesis of the very american synthesi been our boast that there was no place, however distant or difficult of access, to which the arm of England could not reach for the proname the Kingston XI, and all arrangements tection of her subjects and the vindication of made to meet them in a proper cricket spirit her honour; and although, like most other manifest extravagance; and we sincerely and style by Ottawa, they should, no matter has been been been of the Sister Province what the reason, refusing from putting in will be able to opercome the difficulty thus their app arance. Every one knows, who percented by the approintment of two subordis. Knows any ling of the trouble and expense of our fellow-countrymen who fell into their our fellow-countrymen who fell into their power. We can, however, scarcely hope that this will be the case in future if it becomes generally known that for four years we have be a in vain negotiating with an Abyssiman Berriogabal, the old enemies, and both are presented by the appointment of two subordis knows any ling of the trouble and expense of our fellow-countrymen who fell into their nate officers to the Responsible head of the getting together an Xr, and preparing to power. We can, however, scarcely hope that ointed time is fraught with be n in vain negotiating with an Abyssiman endow the local school au- many annoyance of no slight nature, and we emperor for the release of a number of Eng-

which he wrote a few days since to one of our contemporaries, Sir H. Bulwer asserted emplutically that the carelessness or impotence us pursue a vigorous and even a high handed icy whenever our interests or our honour was concerned; and as they cannot understand the scruples which have restraiged our statesmen from taking vigorous measures to bring his Abyssinian Majesty to reason, they are not unlikely to attribute our inaction to feebleness, indifference, or reluctance to un lertake an enterprise of difficulty and danger. Now we are not amongst those who would make it the first object of our policy to maintain what is called the prestige of England. This policy has involved us in a great number of needless wars; it has led us to acts which may be justly stigmatized as national crimes; it has cost us more lives and more money than it is at all pleasant to contemplate ; and we do not believe that it has yie ided any valuable results which might not have been equally well attained by a more JND UNINGS.
