AYER'S Sarsaparilla  
FOR PURIFYING THE BLOOD.

Ask for the speedy cure of the following complaints  
SERVING FEVERS, SORES, ERUPTIONS,  
PIMPLES, PUSTULES, BLISTERS, BOILS,  
BLAINS, AND ALL SKIN DISEASES.

OAKLAND, Ind., 6th August, 1866.

J. C. ATHERTON & CO. send me their duty to  
you, and assure you that your sarsaparilla has  
been highly recommended in every quarter. I have suffered  
from it in various ways for years. Sometimes it has  
been applied inward and directed me at the stomach. Then  
it would break out on my head and cover my scalp  
with sores, and I have been compelled to leave town  
and beyond description. I tried many medicines and several  
surgeons, but without much success. At length was referred  
to read in the Gospel Messenger that you had prepared  
that any thing you made must be good. I went to  
Cincinnati and there had it made for me. I took it  
and was soon well again. I have since used it for a month,  
and used almost three bottles. New and healthy  
skins again. I am now over, and I know by my  
feelings that the disease has gone from my system. You  
will be pleased to let me know when you can get  
you that I hold you to be one of the apostles of the new  
and remarkable sarsaparilla.

ALVARO B. TALLEY.

Mr. Anthony's Fire, Rose or Myrrhia,  
Teter and Salt, Lemon, Seal, Head,  
Mind, Heart, Skin, &c.

Robert M. Peck writes from Salem, N. Y., 12th  
Sept., 1860, that he has had an increase of 100  
days, which threatens to terminate in a cure.  
He also states that he has, also a doctor's  
Medicinal Extract by large doses of the same, says

bronchitis, Gout or Swelled Neck.

Zebulon Stump of Salem, Texas, writes: "This  
is your extract that you sent me. It has  
done me great service, and which I had suffered from  
ever two years."

Let me advise you, Mr. Ayer, that your  
extract is the best I ever had.

C. H. MORRISON, White, Overian Tumor,  
Cancer, Ulceration, Female Disease.

Dr. J. B. Cleating, of New York City, writes: "I  
most cheerfully comply with the request of your agent in  
the numerous complaints for which we have  
so much a remedy, but I have not yet had time to  
make up the details of the same. I have many  
times suffered from it, and some where the  
complaint itself was soon cured. Nothing within my  
knowledge equals it for those forms of disease."
