ELECTORS

GENTLEMEN,-

A T the urgent solicitation of a large and influential number of your body, I consented some time ago to become a Candidate at the coming elections, for the representation of your County in the Local Parliament of Ontario.

My general views with regard to the politics of the day, as well as what best constitute the interests of this section of the country-are well known to you all. I will not here dilate on them as I intend at an early day to make the tour of your County, when I will have the pleasure of personally ommunicating them to you.

On the contrary having acceded to the request of so many warm friends I have no intention of deceiving them or stultifying myself by any such course. am, therefore, still before you as a Candidate for your suffrages, and, if elected, pledge myself to do in the future as I have done in the past, all in my power for the best interests of your County and the country at large.
