Sometimes it burst out in Ulcers on my hards and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loath beyond description. I tried many medicines and several physicians, but without much relief from any thing. In act, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared in alterative (Savaparilla), for I knew from your reputa tion that any thing you made must be good. I sent to incinnational got it, and used it till it cured me. I took if, as you advise, in small doses of a teaspoonful over a mouth, and need almost three bottles. New and healthy skin soon began to form under the scall, which after a while fell oil. My skin is now clear, and I know by my frelings that the disease has gone from my system.
