CATHARTIC PILLS. Are you sick, feeble, and complaining? Are you out of order, with your system de-ranged, and your feelings un-comfortable? These symptoms are often the prelude t ous iliness. Some fit of timely use of the right remedy. Take Ayer's Pills, and mors - purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions

of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with is the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the , they are rapidly, and many of them surely, cured the same means.
