TO THE ELECTORS OF THE CITY OF OTTAWA

GENTLEMEN.—At the request of over eight hundred of the bona fide voters of our rising city I am again induced to become a candidate for the honor of representing you in the Parliament of Canada.

In the first place, I desire to express my gratitude for the kind indulgence shown towards my past conduct through a series of Parliamentary crises, and for the confidence you have been pleased to express that my future course would also be such as to subvert the best interests of our city and to secure for it those improvements which, after fifteen years experience in the great staple trade of our country, I conceive to be absolutely necessary, not only for the welfare of Ottawa, but for the interests of the whole commerce of the country.

TO THE ELECTORS OF THE CITY OF OTTAWA

It has already been announced through the Press of the city, and at the several Ward meetings held during the past month, that I would be a candidate for the representation of Ottawa, in the Legislative Assembly of Ontario.

I may congratulate you upon the fact that Ottawa has become the seat of Government, not only for the two Provinces of the old Union, but for the Dominion of Canada, which we may confidently expect, will ere long embrace the whole of British North America; and it may be permitted to me to say that, to secure this great honor for our city, I spared no exertions which you had a right to expect from your representative.

If elected as your representative, I shall deem it to be my duty to support any measures which may be introduced into Parliament for placing the DEPENDENCIES of the Dominion in a satisfactory condition, and for providing for the maintenance of an adequate Militia or Volunteer force.

Your obdt. servt., J. M. CROBRIER, 507-4f Ottawa, August 8, 1867.

THE ADVANTAGES to Stockholders in this Company are greater than those now offered, or which can be offered, by any other Mining Company in Canada. Its lands, which extend over Two Thousand Acres, include a Lot purchased at a large sum within a few hundred yards of the Henry Mine, where gold has been found; a valuable lot in Tudor, where Plumbago and Lead in large quantities are known to exist; a lot in Margara, especially selected by Californian Miners, &c., &c. In addition to this, Stockholders have ample security that the affairs of the Company will be managed in good faith, from its Directors being among the leading capitalists and business men in Canada.
