AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. and for the speedy cure of the following complaints: erofala and Scrofulaus Affections, such as Tumors, Ulcers, Sores, Ernptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. ATER & Co. Gents: I feel it my duty to acanowhedge what your farsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Semetimes it burst out in Ulears on my hands and arms; sometimes it turned inward and distressed me at the stemach. Two years ago it troke out on my head and covered my scalp and ears with one sure, which was painful and loathsom beyond description. I tried many medicines and several physicians, but without much relief from any thing. In act, the disorder grew worse. At length I was rejoiced an afterative (Sarespurilla), for I knew from your reputation that any thing you made must be good. I sent to sharinustiand got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a skin soon began to form under the scab, which after a while felt off. My skin is now clear, and I know by my feelings that the disease has gone from my system. can well believe that I feel what I am saying when I tell you, that I hold you to be one of the spostles of the age, ALFRED B. TALLEY.

After taking your remedy eight weeks symptom of the disease remains."

Syphilis and Mercurial Disease. New Ontrass, 25th August, 1860. Dr. J. C. Aven: Sir, I electfully comply with the retave realized with your Sarmparilla. I have cured with it, in my practice, most of the com-joints for which it is recommended, and have found its facts truly wonderful in the cure of Fenereal and Merperiod Discret. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, weed him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had atom away a considerable part of it, so that I believe the sorder would soon reach his brain and kill him. But it to my administration of your Espaparilla: the toers healed, and he is well again, not of course without me disfiguration to his face. A woman who had been ated for the same disorder by mercury was suffering on this poison in her bones. They had become so sen-dive to the weather that on a damp day she suffered ex-cuclating pain in her joints and bones. She, too, was red entirely by your Sareaparilla in a few weeks. I giose from its formula, which your agent gave me, that Lis Preparation from your laboratory must be a great medy; consequently, these truly remarkable results ith it have not surprised me. . ATER: Sir, I have been afflicted with a pain-l chronic Rheumetican for a long time, which baffled the li of physicians, and stuck to me in spite of all the sedies I could find, until I tried your Samaparilla. One the cured me in two weeks, and restored my general alth so much that I am far better than before I was sacked. I think it a wonderful medicine. J. FRKAM. Jules Y. Getchell, of St. Louis, writes: "I have been mieted for years with an affection of the Liver, which stroyed my health. I tried every thing, and every thing led to relieve me; and I have been a broken-down man some years from no other cause than decongement of Liver. My beloved pastor, the Rev. Mr. Espy, advised to try your farmparilla, because he said he knew you, d any thing you made was worth trying. By the blesseg of Ged it has cured me, and has so purified my blood to make a new man of me. I feel young again. The Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of

Every person should set out largely of the Green Prolific. The berry is nearly as large as the Golden Queen, very early, tender and sweet. It is reimmended very highly in the eastern part of the state where it is better known. In fact, the Golden Queen and Green Prolific are the two best berries n cultivation. The Golden Queen sells in our market for four shillings per quart where the Wilson, on the same stand, only brings twenty-five cents—never have sold the Golden Queen and Green Prolific for less than twenty-five cents, when the Wilson brought only twelve cents.
