Mrs. and Misses Cosser.

(Having lately arrived from England.)
EG to acquaint the Ladies of Montreal and the surrounding country, that they will receive at their home, No. 1, Oxford Terrace, 45 Royal York Street, Ottawa, every Saturday evening Ladies as Boarders, who may be desirous of finishing their education, or who, from a residence in the country, have been unable to enjoy the advantages of the schools.

Mrs. Cosser is prepared to instruct these young ladies in all the branches of a thorough English Education—Literature, Vocal and Instrumental Music, Domestic Department, Calligraphy, and particularly to sing an English Ballad.

Mrs. Cosser has been induced to open this class, as she has found that many young ladies to whom attendance at a school is both irksome and unpleasant, but who would make more favorable progress when surrounded by congenial friends, and when taught in a quiet and peaceful atmosphere, and living with Mrs. Cosser and her daughters in all the freedom of a happy home, and yet with that certain result, that they will receive a good education.

Mrs. and Miss Cosser also give private lessons in singing and on the piano-forte, and private lessons to their sisters, charging for the kind measurement they have always received.

Terms on application.

AYER'S
CATHARTIC
PILLS.

You are sick, feeble, and
complaining? Are you fatigued,
and your feelings depressed,
and your spirits down? Are you
often the victim to serious illness?

Take Ayer's Pills, and
should be cured by a timely
dose of the right pills, and
closes out the disorder
before it gets a hold, and
lets the fluids move on unob-
structed in health again.

The cathartic power of the body to vigorous ac-
tivity, and the purity of the system from
the effects of the pills, will
enable you to do more work
and less time.

For a full account of
Ayer's Pills, and how to
take them, consult your
physician, or send for
our circular.

Statements from leading physicians in some of the
principal cities, and from other well known public per-
sons, will be sent on application.

DEAR AYER'S PILLS are the panacea of all that is
great in medicine. What a relief and apparent as in
so many cases when we are up and about again
after a long illness. They have had long been
invaluable for her health. Her mother has long
been greatly improved by their use, and she
now takes them daily. After our child was cured, she
also, has had no trouble since, and has now
taken them for a year.
