(Having lately arrived from England,) DEG to acquaint the Ladies of Montreal and the surrounding country, that they will receive at their house, No. 1, Oxford Terrace, 45 McGill College Avenue, a limited number of Young Ladies as Boarders, who may be desirous of finishing their education, or who, from a residence in the country, have been unable to enjoy the advantages of the city seminaries. Mrs. Cossar is prepared to instruct these young ladies in all the branches of a thorough English. Education, also French, Vocal and Instrumental Music, General Deportment, Calisthenics, and paricularly to sing an English Ballad. Mrs. Cossar has been induced to open these 3:45 p. m., arriving at Sandpoint at 1:10 p m., classes, having been informed that there are many | and 9:25 p.m. young ladies to whom attendance at a school is both irksome and unpleasant, but who would make more favorable progress when surrounded by companions of their own age and acquirements, and living with Mrs. Cossar and her daughters in all the reedom of a happy home, and yet with that cor-

rect restraint so steadily carried out in England. Mrs. and Miss Cossar also give private lessons in singing and on the piano-forte, and beg to return their sincere thanks for the kind encourage. ment they have already received. Terms on application to MRS, COSSAR, No. 1, Oxford Terrace,

## FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases. OARLAND, Ind., 6th June, 1850.

J. C. Ayen & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me.

Haring mherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome teyoud description. I tried many medicines and several physicians, but without much relief from any thing. In tact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared on afterative (Samaparilla), for I knew from your reputa tion that any thing you made must be good. I sent-to functional and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the spostles of the age, and remain ever gratefully. Yours,
ALFRED B. TALLEY.

St. Anthony's Fire, Rore or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Proble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate Dropsy, which threatened to terminate fatally, by the persevering use of our Samsparilla, and also a dangerous beligment Ergeipeles by largo doses of the same; says he cures the common Eruptions by it constantly. Bronchocele, Galtre or Swelled Neck. Zebulou Sloan of Prospect, Texas, writes: "Three bot-Hes of your sarsaparilla cured me from a Goitre - a hidcons swelling on the neck, which I had suffered from Leucorrhea or Whites, Ovarian Tumor,

Uterine Ulceration, Female Diseases. Dr. I B. S. Channing, of New York City, writes; "I meet cheerfully comply with the request of your agent in caving I have found your Sarsaparilla a most excellent siterative in the numerous complaints for which we supley such a remody, but especially in Fanale Diseases of the Scrofulous disthesis. I have cured many inveterate cases of Leucorriges by it, and some where the complaint was caused by plecrution of the plerus. The pleery ion itself was soon cured. Nothing within my knowlleiward S, Marrow, of Newbury, Ala., writes, " A danrous occrion tumor on one of the females in my family shich had defled all the remedies we could employ, has t length been completely cured by your Extract of Sar-parilla. Our physician thou, ht nothing but extirps-to could afford relief, but he advised the trial of your presparilla as the last resort before cutting, and it would effectual. After taking your remody eight weeks symptom of the disease remains." Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.
Dn. J. C. ATER: Sir, I cheerfully comply with the regreat of your agent, and report to you some of the effects
flavor realized with your Sarsaparilla. I have cured with it, in my practice, most of the combets truly wonderful in the cure of Venereal and Mereriol Disease. One of my patients had Syphilitic ulcers as his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, ured him in five weeks. Another was attacked by secnchary symptoms in his nose, and the ulceration had sten away a considerable part of it, to that I believe the exercise would soon reach his brain and kill him. But it cers healed, and he is well again, not of course without e distiguration to his face. A woman who had been ented for the same disorder by mercury was suffering on this poison in her bones. They had become so sensive to the weather that on a damp day she suffered exociation; pain in her joints and hones. She, too, was ared entirely by your careaparilla in a few weeks. I his Preparation from your laboratory must be a great puredy; consequently, these truly remarkable results ith it have not surprised me. Fraternally yours, C. V. LARIMER, M. D.

theumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. on, J. C. AYER: Sir, I have been afflicted with a pain chronic Rheumatizm for a long time, which baffled the ill of physicians, and stuck to me in spite of all the notice I could find, until I tried your Samaparilla. One Hie cured me in two weeks, and restored my general sit's so much that I am far better than before I was so ked. I think it a wonderful medicine. J. FREAM. Julea Y. Getchell, of St. Louis, writes: "I have been flicted for years with an affection of the Liver, which stroyed my health. I fried every thing, and every thing led to relieve me; and I have been a broken-down man Liver. My beloved pastor, the Rev. Mr. Espy, advised to try your Sarsaparilla, because he said he knew you, d any thing you made was worth trying. By the bles pg of God it has cured me, and has so purified my blood et that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of A great variety of cases have been reported to us where ures of these formidable complaints have resulted from he use of this remedy, but our space here will not admit icem. Some of them may be found in our American thusnac, which the agents below named are pleased to sruish gratis to all who call for them.

It stimu-tes the vital functions into vigorous action, and thus corcomes disorders which would be supposed beyond its each.
