Select Educational Classes.

Mrs. and Misses Cossar,

(Having lately arrived from England)

BEG to acquaint the Ladies of Montreal and the surrounding country, that they will receive at their house, No. 1, Oxford Terrace, 41 McGill College Avenue, a limited number of Young Ladies as Boarders, who may be desirous of attending their education, or who, from a residence in the country, have been unable to enjoy the advantages of the city seminaries.

Mrs. Cossar is prepared to instruct these young ladies in all the branches of a thorough English Education, also French, Vocal and Instrumental Music, General Deportment, Calisthenics, and particularly to sing in English method.

Mrs. Cossar has been induced to open these classes, having been informed that there are many young ladies to whom attendance at a school is both irksome and unpleasant, but who would make more favorable progress when surrounded by the comforts of their own age and acquirements, and living with Mrs. Cossar and her daughters in all the freedom of a happy home, and yet with that correct restraint so steadily carried out in England.

Mrs. and Miss Cossar also give private lessons in singing and on the pianoforte, and beg to return their sincere thanks for the kind encouragement they have already received.

Terms on application to

MRS. COSSAR,

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness, borne ill of darkness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and remove the cause of the disease—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and disturbs its natural functions. These, if not relieved, don't stop there, but go on from bad to worse, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how speedily they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the more dangerous disorders. The same purgative effect expels them. Caused by similar disturbance and derangements of the natural functions of the body, and by the same means. None who know the virtues of these Pills will neglect or employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

From a Forwarding Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR SIR, AYER: I cannot answer you what complaints I have cured with your Pills better than to say all but we ever tried with a purgative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PETERSBURG, Pa., May 1, 1858.

DR. J. C. AYER. SIR: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. FREELS,
Clerk of Homer Clarion.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhœa. Their sugar-coating renders them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in Ottawa. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends. Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of costiveness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although half enough in itself, is the progenitor of others that are worse. I believe costiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Rev. E. Stuart, Physician and Midwife, Baton.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretions when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hinsdale, of the Methodist Epis. Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By perseverring in the use of them, I am now entirely well.

SYLVESTER CHAMBERS, Baton Rouge, La., 5 Dec. 1855.

DR. AYER: I have been entirely cured, by your Pills, of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for $1.

Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

Sold by Dealers in Medicines everywhere.

Royal Italian Bitters!

—OF—

TONIC OREALE,

DEL DOTTORE F. P. VERRI,

Professor of Chemistry in the University of Padua

ITALY.

THIS celebrated preparation for which a certificate of merit was awarded to the distinguished original preparer at the National Exposition at Turin, Italy, by Whose favor Mr. GIANELLI obtained the recipe, and was also awarded a Diploma at the Provincial Exhibition of Canada held at Montreal in September, 1867, is, without exception, the most genuine, salubrious and agreeable Tonic ever introduced to public notice either in Europe or America.

For seventeen years it has, in Italy, been a universal favourite among the elite of society, being generally served in the drawing room before dinner, in preference to Vermouth.

The ingredients of its composition have been imported to the leading Physicians of Canada and the United States, and have received their unqualified approval, in every instance.

The proprietor refers with the utmost confidence and satisfaction to the subjoined testimonials from eminent medical men, which he could add to, were it desirable.

Kept by the principal Druggists and Grocers in the Dominion of Canada and in the United States.

Sold by the Proprietor,

G. GIANELLI,
28, Hospital-street, Montreal.

MONTREAL, February, 1867.

MR. GIANELLI—*Dear Sir*:—Having received from you a sample of the Royal Italian Bitters of Dr. Verri as prepared by you, I have much pleasure in certifying to the very excellent qualities as an agreeable and exhilarating tonic Bitter; nothing equal to it has ever come under my notice. Having also been made acquainted with its composition and mode of preparation, I look nothing better could have been devised for general use; from its effects which I have observed in several cases, I think very many who now suffer from indigestion and dyspepsia in their various forms will find in it a panacea for all their ills.

Very truly,
W. E. BESSEY, M.D., C.M., &c.,
Beaver Hall Hill.

Letter from Drs. Pricault,
Montreal, July 27, 1867.

TO MR. ANGELO GIANELLI.

Dear Sir:—We are pleased to acknowledge the reception of the prescription of your valuable tonic and bitters, entitled "The Royal." All the substances contained in its composition are judiciously combined to form a preparation fit for the purposes detailed in your directions.

We are, dear Sir, yours sincerely,
DRS. PICAULT & SON.

20, East 26th-street,
New York, May 9, 1867.

TO A. M. F. GIANELLI, Esq.,

Dear Sir:—The "Tonico Reale" I have tried faithfully, and it gives me great pleasure to state to you that it is the best and most agreeable Tonic I have ever used in my practice. I find it particularly adapted to females and children debilitated by the various diseases and complaints peculiar to them. If you will favor me with a letter stating where I can procure your Bitters for my patients, I shall take particular pains to recommend them. As a general rule the Bitters sold are no bitter and have too much *Alcohol*, and are hence often injurious.

Your "Tonico Reale" seems to me to be the Tonic we have long wished for, but never found until Prof. Verri, D.M., of Padua, has given it to the Medical World.

Respectfully yours,
WM. FRED. HOLCOMB, M.D.,
Professor of Astral and Ophthalmic Surgery in New York Medical College, and Surgeon to New York Ophthalmic Hospital and Dermoit Dispensary.

New York, June 1, 1867.

MR. GIANELLI—*Dear Sir*:—After a fair trial I take pleasure in recommending your Royal Bitters. It is a very excellent stimulating tonic, aiding digestion and giving tone to the digestive organs. In your note you informed me of the ingredients; I think it is a most admirable combination; a pleasant, useful, and reliable tonic.

Yours truly,
E. P. COOKE, M.D.,
New York City.

New York, May 14, 1867.

A. M. F. GIANELLI, Esq., Montreal.

Dear Sir:—Just recovering from a long and severe illness, I have received a sample of your Tonico Reale and from its use have derived considerable benefit, as I find my appetite and digestion much improved, and hesitate not to recommend it as one of the best and most agreeable Tonics I have ever used.

WILLIAM ARNOLD,
A.B., Trinity College, Dublin; M. R. C. S. London; M. D., New York, Licentiate Royal College, Havana.

New York, April 25, 1867.

A. M. F. GIANELLI,—*Sir*: Your kind favour of 16th instant, together with a sample of your "Tonico Reale" Royal Bitters,—I am pleased not only with its composition, but also with the effect, and regard the preparation as a very elegant one, suited to many cases when a more powerful compound would not be used. After having had further opportunity, I shall be able to give a more intelligent opinion in regard to its efficacy.

Have you any agency in this city? Many of my patients are anxious to use the Tonic but know not where to procure it. Yours truly,
C. PRINCE, M.D.,
127, East 19th-street.

22, West Eleventh-street,
New York, May 9, 1867.

A. M. F. GIANELLI, Esq.,

Dear Sir:—The sample of your Royal Italian Bitters, through your politeness, was received some time since. I am happy to say respecting them, after giving them a fair trial, that they are a delicious tonic, stomachic and stimulant Bitters, which I think will be found very useful to the debilitated suffering from indigestion, constipation, or dyspepsia.

With my best wishes for your success,
I am respectfully yours,
G. MILIANO, M.D.

[TRANSLATION.]

Sir:—Allow me to congratulate you on the perfection of your preparation called "Royal Italian Bitters." I have prescribed it to many of my patients who had need of tonics to invigorate their energies, without failure in any case.

This preparation besides being composed entirely of substances stimulating, bitter and tonic, possesses every quality which constitutes a wholesome beverage and tonic in a remarkable degree. By the stimulants and bitters which it contains, it acts directly upon the stomach and digestive organs, by arousing the energy of the digestive functions, and in rendering the act of digestion more easy and perfect.

By the tonic ingredients, and especially by the iron which enters into its composition, it acts on the whole organization; the tissues assume a consistency more decided, a development more complete, a functional energy more regular: the globules of the blood become richer, the vital energies greater, the muscular system more powerful, the nervous system calmer.

This beverage, when in stomachic and at the same time tonic, is serviceable not only to persons in health by promoting digestion, but may also be employed with advantage in a multitude of ailments which are the immediate consequences of [illegible] errors in nutrition, such, as dyspepsia, enteralgia, amœnia, chlorotia, leucorrhœa, constipation, in short in all cases where the system is much debilitated for want of restoratives to refresh its energies and strengthen its organs.

This preparation, by its elegant appearance, its delicious flavour, and above all by its restorative properties, deserves to attract public attention, and should be considered as infinitely superior to all articles of the kind which have appeared to the present time.

Accept, Sir, the expression of my distinguished consideration.

A. SOUSLACROIX.
Docteur Medecin et Chirurgien Francais de la Faculte de Paris, Bachelier en lettres, Bachelier en Sciences Physiques, Rue Notre-Dame, No. 192.
Montreal, 20 Decembre, 1866.
A Monsieur GIANELLI.

31, Temple-street, Boston,
July 1, 1867.

A. M. F. GIANELLI, Esq.,

My Dear Sir:—I beg to acknowledge the receipt of a sample of your Royal Italian Bitters together with a note imparting to me the formula for their preparation. Having a large field where to try the effect of your Bitters, I have obtained flattering success in cases requiring the use of a mild, stimulating tonic, and I will recommend your Bitters with pleasure in dyspepsia, indigestion, loss of appetite, general debility, and constitutional inactivity of the liver.

I remain, my dear Mr. Gianelli, yours, very truly,
E. DE LA GRANJA, M.D.

DARLEY'S

Arabian Heave Remedy

AND CONDITION MEDICINE

IS POSITIVELY SUPERIOR TO ANY or all other preparations for the cure of *Heaves, Coughs, Thick and Broken Wind*, and all diseases which affect the *Wind of Horses*; also, as a *Condition Medicine*, surpassing everything of the kind in easy to give, sure to cure, and safe in all cases and at all times, and does not prevent the horse from being worked while using it.

It cleanses the breathing apparatus, by removing from the air-cells the coagulable lymph, or that secretion which in heaves clogs them, causing a difficulty in breathing, and by its action on the diseased part, causing the mucous membrane to resume its natural dimensions, thus equalizing the circulation of the blood, and restoring the distended vessels to their natural size; by its use, the horse's appetite is improved, all derangements of the digestive organs corrected, rendering the coat sleek and giving to the coat a sleek and shining appearance.
