> Water Filters! Water Filters! Water Filters We would particularly draw attention to our Water Filters and Coolers, by which all impurities are taken away from the water. They are constructed on undoubted scientific principles, being simple in their operation, and not liable to get out of order. The filtering substance is the same as used by the best Water Works Companies in England, and recommended by the medical faculty as the best known combination of ingredients for removing all foreign matter, and snaking the water pure, sparkling and healthy. We make different sizes and styles, so as to bring them within the reach of all. No family
