FOR PURIFYING THE BLOOD and for the speedy cure of the following complaints: scrofula and Scrofulous Affections, such

as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Botls, Blains, and all Skin Diseases. OLELAND, Ind., 6th June, 1859. J. C. Arin & Co. Gents: I feel it my duty to acknowledge what your Sarmparil's has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed use at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and leathsome beyond description. I tried many medicines and several hysirians, but without much relief from any thing. In act, the disorder grow worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Samaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the spostles of the age, and remain ever gratefully.

ALFRED B. TALLEY. St. Authony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Br. Robert M. Proble writes from Salem, N. Y., 12th Sept., 1869, that he has cured an inveterate case of Oceany, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous folignant Erycipelas by large doses of the same; mys be cures the common Eruptions by it constantly Bronchocele, Gottre or Swelled Neck. Zobulon Sloan of Prespect, Texas, writes : "Three botties of your saresparilla cured me from a Guire - a hidrous swelling on the neck, which I had suffered from ever two years."

Leucorrhoa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. R. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarssparilla a most excellent alterative in the numerous complaints for which we caploy such a remedy, but especially in Penals Diseases of the Serofulous diathesis. I have cured many inveterite cases of Leucorrhosa by it, and some where the comstaint was caused by ulceration of the aterus. The ulcery inn itself was soon cured. Nothing within my knowlsign equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A danare funder on one of the females in my family. hich had defied all the remedies we could employ; has t length been completely cured by your Extract of Sarparilla. Our physician thought nothing but extirpaon could afford relief, but he advised the trial of your majorilla as the last resort before cutting, and it ved effectual. After taking your remedy eight weeks resploys of the disease remains."

Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1859. Dr. J. C. Arra: Sir, I cheerfully comply with the regreat of your agent, and report to you some of the effects have realized with your Sarsaparilla. I have cured with it, in my practice, first of the comfects truly wonderful in the cure of Fenereal and Merarticl Biscom. One of my patients had Syphilitic ulcers se his throat, which were consuming his palate and the top of his mouth. Your Sarssparilla, steadily taken, a gred him in five weeks. Another was attacked by sec adary symptoms in his nose, and the ulceration had aten away a considerable part of it, so that I believe the isorder would soon reach his brain and kill him. But it elded to my administration of your Sarsaparilla; the fore healed, and he is well again, not of course without disfiguration to his face. A woman who had been cated for the same disorder by mercury was suffering on this poison in her bones. They had become so senperiating pain in her joints and bones. She, too, was tred entirely by your sarraparills in a few weeks. I giow from its formula, which your agent gave me, that his Preparation from your laboratory must be a great ensedy; consequently, these truly remarkable results ith it have not surprised me. m Fraternally yours, G. theumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. Dr. J. C. Aven: Sir, I have been afflicted with a pain-I chronic Rheumatism for a long time, which buffled the il of physicians, and stuck to me to spite of all the nedles I could find, until I tried your Sarsaparilla. One tis cured me in two weeks, and restored my general alth so much that I am for better than before I was scked. I think it a wonderful medicine. J. FREAM. Jules Y. Getcheff, of St. Louis, written "I have been flicted for years with an affection of the Liver, which stroyed my health. I tried every thing, and every thing led to relieve me; and I have been a broken-down man some years from no other cause than derespendent of Liver. My beloved paster, the Rev. Mr. Espy, advised to try four Samaparilla, because he said be knew you, d any thing you made was worth trying. By the bless eg of God it has cured me, and has so purified my blood et that can be said of you is not half good enough." For seventeen years it has, in Italy, been a uni versal favorite among the elite of society, being generally served in the drawing room before dinner, in preference to Vermouth. The ingredients of its composition have been imparted to the leading Physicians of Canada and the United States, and have received their unquali-
