AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. and for the speedy cure of the following complaints: scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. ATER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for mo. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my while fell off. My skin is now clear, and I know by my seelings that the disease has gone from my system. You can well believe that I feel what I am saying when I toll you, that I hold you to be one of the spostles of the age, Youm, ALFRED B. TALLEY. ad remain ever gratefully.

St. Anthony's Fire. Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Proble writes from Salem, N. Y., 12th Sept., 1869, that he has cured an inveterate case of brapey, which threatened to terminate fatally, by the ersevering use of our Sarsaparilla, and also a dangerous felignant Eryripelus by large doses of the same; says e cures the common Eruptions by it constantly. I have cured many inveter-ste cases of Leucorrhon by it, and some where the comgion itself was soon cured. Nothing within my knowle sige equals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes, "A danwous coorsen honor on one of the females in my family, hich had defied all the remedies we ould employ, has t length been completely cured by your Extract of Sar-oparitiv. Our physician thought nothing but extirpa-ion could afford relief, but he advised the trial of your orsaparilla as the last resort before cutting, and it weed effectual. After taking your remedy eight weeks

NEW ORLEANS, 25th August, 1856. Du. J. C. ATER: Sir, I cheerfully comply with the repast of your agent, and report to you some of the effects have cured with it, in my practice, most of the comjuints for which it is recommended, and have found its facts truly wonderful in the cure of Venercul and Mersriel Disease. One of my patients had Sypbilitic ulcers s his throat, which were consuming his palate and the top of his mooth. Your Sarasparilla, steadily taken, ured him in five weeks. Another was attacked by secondary symptoms in his nose, and the niceration had aten away a considerable part of it, so that I believe the seorder would soon reach his brain and kill him. But it ielded to my administration of your Sarssparilla; the jeers healed, and he is well again, not of course without, one disfiguration to his face. A woman who had been sated for the same disorder by mercury was suffering on this poison in her bones. They had become so senitive to the weather that on a damp day she suffered excuciating pain in her jointwand bones. She, too, was ured entirely by your Sareaparilla in a few weeks. I giow from its formula, which your agent gave me, that Lis Preparation from your laboratory must be a great

Aven: Sir, I have been afflicted with a painchronic Rheumatizes for a long time, which baffled the ill of physicians, and stuck to me in spite of all the nedies I could find, until I tried your Sanaparilla. One sitis cared me in two weeks, and restored my general sits so much that I am far better than before I was lacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been flicted for years with an affection of the Liver, which stroyed my health. I tried every thing, and every thing lied to relieve me; and I have been a broken-down man some years from no other cause than derangement Liver. My beloved pastor, the Rev. Mr. Espy, advised to try your Sarraparilla, because he said he knew you, d any thing you made was worth trying. By the bless g of God it has cured me, and has so surified my blood to make a new man of me. I feel young again. The est that can be said of you is not half good enough."
