Mothers Read This !- Hotloway's Worm Losenges are a certain and safe remedy for Worms in Children and Adults.—As it is a wellknown and melancholy fact that one great cause of death among children is from Worms alone, it cannot be too deeply impressed upon the minds of parents the necessity of closely watching their children. By so doing; and understanding he symptoms and true cause of the disease, thousands of children might be saved from early graves. STAPTONS OF WORMS. - The following frequent picking at the nose, grinding of the teeth during sleep, hardness of the belly, with frequent slimy stools, and sometimes convulsive fits; itching of the arms, pain in the head and stomach, unquiet sleep, faintings, tremblings, coughs, indigestion, low spirits, frightful dreams, and a gradual waisting away of flesh.

They are palatable and self-administered to the child—drive out the worms thoroughly without pain and completely cleanse the stomach—thereby doing away with the necessity of administering Casto Oil or other unpleasant cathartics—as in the use
