structed in health again.

They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, reart upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons. From a Porwarding Merchant of St. Louis, Feb. 4, 1856.

Da. Aren: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of alcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and an bur hair. After our child was cured, she also tried your Pills, and they have cured her.

ASA MORGRIDGE. As a Family Physic.

From Dr. E. W. Cartwright, New Orleans. Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bearels, which makes them invaluable to us in the daily Headache, Sick Headache, Foul Stomach

Dasa Bro. Aven: I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purpative medicine. I place great dependence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly. Dr. J. C. Aven. Sir: I have been repeatedly cured on the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach,

which they cleanse at once.

Yours with great respect, ED. W. PREBLE,

Clerk of Steamer Clarion. Bilious Disorders - Liver Complaints. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious completinist than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

Your Pills have had a long trial in my practice, and 1 hold them in esteem as one of the best aperients I have year found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for bilious dysentery and diarrhon. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood. rom Rev. J. V. Himes, Puster of Advent Church, Boston Dn. Aven: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

Constipation, Costiveness, Suppretsion, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of petireness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, it the progenitor of others that are worse. I believe confiveness to originate in the liver, but your Pills affect that argan and cure the disease.

From Mrs. E. Swart, Physician and Midwife, Boston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel sorms. They are so much the best physic we have that I resommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Ppis. Church. PULASEI HOUSE, Savannah, Ga., Jan. 6, 1856.

Honored Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excrusating neurolgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your fills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.
