## CAUTION.

THE perfection and cheapness of the American (Waltham) Watch have given it such a wide-world celebrity that unscrupulous dealers years ago imitated its style and pirated its trade marks. Irresponsible dealers are occasionally found who dishonestly trade upon the popularity of the American watch by selling a base imitation under the name of the genuine article. It is hardly necessary to state that such watches are worthless as time keepers, and when bought for the genuine are calculated to injure the high reputation which our watches have attained. The several grades of the American watch (except the lowest grade marked Home Watch Co.) are guaranteed by special certificate bearing the number of the watch and the signature of the Treasurer of the Company. R. E. Robbins. The purchaser should in all sases require one of these certificates, which is furnished to all dealers in the genuine watches. The following are the trade marks on the several grades of our manufacture :-

- Gentlemen.—The watches Manufastured by you have been in use on this Railroad for several year by our engine men, to whom we furnish, watches as part of our equipment. There are some THREE HUNDRED OF THEM CARRIED ON OUR LINE, and we consider them, GOOD and RELIABLE TIME-KEEPERS. Indeed I have great satisfaction in saying YOUR WATCHES GIVE US LESS TROUBLE and have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware we former'y trusted to those of Engitsh manufacture, of acknowledged good reputation, but as a class they never keep time as correctly, nor have they done as In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over

a series of years. EDWARD H. WILLIAMS, General Superintendent.

Sentiamer — I have no hesitation in saying that I believe the great majority of locomotive engineers have found by experience that WALTHAM wATCHES ARE THE MOST SATISFACTORY of any tor their uses. They RUN WITH THE GREATEST ACCURACY AND STEADINESS, notwithstanding the rough riding of an engine; and as I have NEVER KNOWN ONE TO WEAR OUT, they must be be durable. I hope to see the time when railway companies will generally adopt your watches, and furnish them all to engineers and conductors. In my opinion it would greatly tend to promote regularity and safety.

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints

Scrofula and Scrofulous Affections, such

as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. Aven & Co. Gents: I feel it my duty to ac-

knowledge what your Sarsaparilla has done for me, Having inherited a Scrofulous injection, I have suffered

from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome

beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Saraparilla), for I knew from your reputation that any thing you had must be good. I sent to Cincinnatiandgot it, and used it till it cured me. I took it, as you advise, 'I small does of a tenspoonful over a month, and used almost three bottles.

feelings that the disease has gone from my system. You ran well believe that I feel what I am saying when I tell

you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours.
