CAUTION.

THE perfection and cheapness of the American (Waltham) Watch have given it such a wide-world celebrity that unscrupulous dealers years ago imitated its style and pirated its trade marks. Irresponsible dealers are occasionally found who dishonestly trade upon the popularity of the American watch by selling a base imitation under the name of the genuine article. It is hardly necessary to state that such watches are worthless as time keepers, and when bought for the genuine are calculated to injure the high reputation which our watches have attained. The several grades of the American watch (except the lowest grade marked Home Watch Co.) are guaranteed by special certificate bearing the number of the watch and the signature of the Treasurer of the Company, R. E. Robbins. The purchaser should in all cases require one of these certificates, which is furnished to all dealers in the genuine watches. The following are the trade marks on the several grades of our manufacture :-APPLETON, TRACY & CU.

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints; Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. ATER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has dune for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathson peyond description. I tried many medicines and several physicians, but without much relief from any thing. In act, the disorder grew worse. At length I was rejoice to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla); for I knew from your reputation that any thing y ade must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, *1 small doses of a teaspoonful over a month, and used simost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You ran well believe that I feel what I am saying when I tell on, that I hold you to be one of the aposties of the age,

I have cured many invetercases of Leucorrheen by it, and some where the comint was caused by alceration of the aterus. The ulcerion itself was soon sured. Nothing within my knowlr equals it for these female derangements." Felward S.
