THIS is purely a Canadian Institution, invited. and as such is deserving of the support of the Canadian public. An Act for the Incorporation of this Company Is now before the Parliamen of the Dominion. Over \$100,000 of stock is already subscribed and it is the intention to deposit with the Government as a guarantee of our good faith at least \$ 0,-000 as soon as an Act of Incorporation is procured (which will be a provision of our Incorporation,) It is unnecessary here to dilate upon the profits of money invested in Insurance Stock. Suffice it to say, that, at least in one instance 3335 per cent advance has been obtained on insurance stock, and that after the payment of princely dividends. In the meantime Subscriptions to Stock, in Ottawa may be made at the Ontario and Royal Canadian Banks, and a deposit of 10 per cent is requisite which will be deposited In Taust to be returned in case any subscriber is not satisfied with his investment up to one month after the Vice-Regal sanction to the Charter 18 obtained.
