AT THE AMERICAN ALMANAC has now arrived, and is now ready for delivery, gratis, by the city druggists, to all who call for it. Our readers may be surprised to know that this little pamphlet, which has become so much a favorite in our section, has quite the largest circulation of any one book in the world, except the Bible. It is printed in many languages, and scattered through many nations, as well as supplied to almost the entire population of our vast domain. Every family should keep it, for it contains information which all are liable to require, when sickness overtakes them, and which may prove invaluable from being at hand in season. If you take our advice, you will call and get an Ayer's Almanac, and when got, keep it.

ERRORS OF YOUTH.
A Gentleman who suffered for years from nervous debility, premature decay, and all the effects of youthful indiscretions, will, for the sake of suffering humanity, send free to all who send the recipe and directions for making the simple remedy by which he was cured. Sufferers wishing to profit by the advertiser's experience, can do so by addressing, in perfect confidence,
