# Royal Italian Bitters

## TONICO REALE

DEL DOTTORE F. P. VERRL Professor of Chemistry in the Ilmoversity o Paner ITALY.

Tills celebrated preparation for which a certificate of merit was awarded to the distinguished original preparer at the Natio al Exposition at Torino, Italy, by whose favor Mr. G. angli obtained the recipe, and was also awarded a dip-lome at the Provincial Exhibition of Canada held at Montreal in September, 1865, is, without exception, the most genuine, salubrious and agreeable Toxic ever introduced to public notice either in Europe cr America. For seventeen years it has, in Italy, been a unl-

versal favorite among the clate of society, being generally served in the drawing room before dinner, in preference to Vermeuth. The ingredients of its composition have been imparted to the leading Physicians of Canada and the United States, and have received their unqualined approval on every account. The proprietor refers with the greatest confidence and satisfaction to the subjoined testimon-

ials from eminent medical men, which he could add to, were it desirable. Kept by the principal Druggists and Grocers in the Dominion of Canada and in the United States. Sold by the Proprietor. Dear Sir: You request my opinion of the "Roy al Italian Bitters," prepared from a receipt of Dr Verri, of Padua. I beg to state that I consider it a most agreeable cordial tome, in every way superior in flavour and composition to the ordinary bitter tonics in general use. I have recommended it to

several patiets, who have derived marked benefit from its use. I am, dear Sir, your faithfully, G. E. FENWICK, M.D. A. M. F. Granelli, Esq., Montreal. A. M. F GIANELLI. 26, Hospital-street, Mentreal
