fraft would ever be necessary, for that a sufscient number of men would always be found ready to volunteer. He thought that no vounteering should be permitted for a less term than three years (hear, hear), and that during this period he should be considered a soldier of the country, and, for the time of his sctual service, receive at least 75 cents daily. xpensive, and would throw a greater res-

Mr. MONROE having briefly supported the Mr. M.C. CAMERON took exception to the they left Goderich completely exposed. Sarnia istrict rich in salt and saltpetre.

Mr. ROSS (Dundas,) supported the Bill. Sir GEORGE E. CARTIER in reply, said that he scarcely thought that justice had been usted to himself or his measure, which had been branded as framed with the object of destroying volunteering. There were very few battalions which maintained their nominal fuelly serving 21,841 men, while there were rtified on the enrolment 30,109. In the llowing year, there were enrolled 33,754, thile there were actually under orders only 13,172. Since then the numbers had been decreasing. Of these numbers, it would be very unfair to ask or to expect the ulk of the representatives to leave contiaugusly their trades or employments in case of seed. The G. T. R. Battalion, or the Civil Service Battalion could not be spared for other than garrison duty. The Montreal volunteers whom it was most unfair to coast had suffered greatly. of the country. He went on to explain the several points of detail upon which the Bill had been attacked, and the Bill having been Progress of the Pacific Road.
